

**2012 Simpsonville Youth Baseball and Softball  
Evaluation Schedule - Grades 2nd/3rd, 4th/5th, and 6th/7th**

Due to the large numbers in some groups and to allow more time for our coaches to see the available players evaluations are grouped into sessions and split alphabetically by last name. Find the grade group you registered for and then the session that includes your last name and that is when you come for evaluations.

If you do not attend, you are still placed on a team via a blind draw (this prevents player hiding)
