## **NEW THIS YEAR!!!! – AfterSchool Shoot Around**

We are opening our gyms up for those who are registered in our program through the week on the days we schedule practices or games from 3:30 – 5:30. We have had requests for this in the past and hope our kids take advantage of the court time.

**Evaluations** Players should make every effort to attend, however players who do not attend will be placed on a team without penalty. This will be a short evaluation of the player's basic basketball skill level to aid our coaches in drafting the teams evenly.

*The evaluations will last about an hour*

*Players should come at least 15 minutes prior to evaluation to be checked in and issued a number for the session to help coaches recognize players they are watching.*  
*Players will be directed from there by the coaches into drills and or controlled play so the coaches can evaluate each player prior to the coach's draft meeting.*

**Dress – players should wear shorts/sweats and t-shirt and athletic shoes.**

**Teams** Will be separated by Friday 11/17 at the latest. Players should hear from their coach by November 19th, if not please check online where you registered to view your roster and get your coach's contact information.

**\*\* Due to the large quantity of participants, We CANNOT HONOR ANY REQUESTS other than siblings. All players are separated via a draft system, and requests do not factor into this scenario.**

**Draft Process** – [http://www.simpsonville.com/uploads/4/1/7/3/41731421/2017\\_basketball\\_draft\\_process.pdf](http://www.simpsonville.com/uploads/4/1/7/3/41731421/2017_basketball_draft_process.pdf)

**Practices** Will begin the week of November 27.  
Expect 1-2 practices per week prior to the first game.  
Your coach will give you your practice schedule, and it may change from week to week.  
Once the season begins, it is up to the coach to schedule extra practices with the Athletic Department depending on Gym availability on a week to week basis.  
Practices will be held at the Activity & Senior Center.

**Games** Planned to start Saturday January 6<sup>th</sup>. All teams should play that Saturday if possible. (It may or may not be the only Saturday on the schedule). Typically games on Mondays, Tuesdays, and/or Thursdays.  
**Games MAY be played on Wednesdays and Saturdays depending on the number of teams in the program.**

A detailed schedule for the day of the 6<sup>th</sup> will be available later, but expect team and individual team pictures to be taken this day as well as the games.

-Expect 1-2 games per week through February (10-12 games depending on league size including tournament)

-A season ending tournament will be held to determine league champion – seeding will be determined by regular season order of finish. A large division may be split into two divisions for tournament play.

-Each team will need to furnish a book keeper for each game; this person will need to focus on the game score, fouls, time outs, and substitutions. This person is considered part of the officiating crew and should maintain their composure and a level of professionalism at table, excessive cheering, coaching or arguing referee's calls should not be tolerated.

-Coaches will be given game schedules as soon as they are available.

*-Coaches may be held responsible for their teams fans/parents and their behavior – this is not the NBA the kids are here to have fun playing a game – anyone who cannot control themselves may be asked to leave the playing area – no one in the stands should take away from the kids time on the court – keep it in perspective.*
