All games are 30 mins. We are on a schedule, so we need to be as close as possible. A coach will be allowed on the field if needed. Each teams gets 10 plays and then the other team will get 10 plays. We will do that until the 30 mins is over. Turnovers will not change possession, but will take it back to the opposing team beginning point. Players will be flagged, but will not mark off penalty yards. We will play half field, but the width of a 100 yard field. Please get plays in as quick as possible the quicker the more plays.
