PUBLIC WORKS COMMITTEE
MINUTES
APRIL 28, 2015**

CALL TO ORDER - Councilmember Curtis, Councilmember Lawrence, Councilmember Gooch, John Laux, Jay Crawford, and David Dyrhaug in attendance.

APPROVAL OF MINUTES FROM MARCH 24, 2015 - Motion by Councilmember Lawrence with a 2nd by Councilmember Gooch to approve the minutes. Approved 3-0

SANITATION/RECYCLING/BUILDING MAINTENANCE -

Waiting on permit from DHEC for the Leaf Transfer Station. We will need rezoning consideration.

Brush and limb collections are high during this time of year. Need to look at changing the Chapter of Code in regards to the size of limbs Public Works can pick up to avoid damage to equipment.

Automated garbage truck is being used by more residents so may need to communicate to the public on where the cans are placed to be picked up by Public Works.

STREETS AND SANITARY SEWER –

Hillpine Bridge update. No new information to share on this issue.

Sewer rehab update. Rehab going very well. Some curbs will need to be replaced due to damage from trucks working on sewer.

Hazard mitigation plan used by Greenville County needs to be adopted by Resolution to replace the plan expiring in August 2015.

FEMA grant for stream crossings has been awarded in the amount of \$260,000. The City will need to provide \$70,000. Motion by Councilmember Lawrence with a 2nd Councilmember Gooch to move this to full council. Motion carried unanimously.

FLEET MAINTENANCE –

Normal repairs on trucks.
