

**CITY OF SIMPSONVILLE
BUILDING PERMITS
ACKNOWLEDGEMENT**

- All contractors need a current Simpsonville Business License & state license.
- The City collects REWA impact fees for all new construction.
- A sewer flow acceptance letter from Public Works is required prior to the issuance of a building permit for commercial projects.
- If an encroachment permit is required by Greenville County or the South Carolina Department of Transportation, proof of the permit may be required before the issuance of a City permit.
