

ABOUT

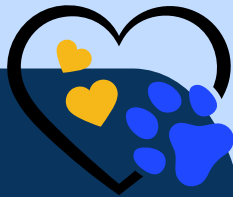

On the First Friday of every month from 8am to 5pm the department will have an adoptable pup to socialize and play with the officers and spend time outside the kennel.

The public is invited to visit the PD and come meet our guest. All adoptions are FREE at the PD & the new family will get a starter kit with everything they need to welcome in their new furry friend!

We take donations for:

- Blankets
- Food & treats
- Bowls
- Cleaning supplies

Funds to support our City Kennel and education programs can be made out to the Simpsonville Police Foundation.

Simpsonville Police Department's
Animal Control Education & Pet
Adoption Program

What to do if you find a Lost Pet?

01 Scan for Microchips

Bring them to the police dept to check if they have an owner.

02 Call the Police

Simpsonville is one of the only cities in the county with an in-house kennel. Call our non-emergency # to help find shelter for a lost pet.

03 Emergency Intake

Contact Greenville Co. Animal Care for information on:

- Local shelters
- Resources to temporarily care for the animal at your home
- GCAC Foster program

Pet Microchip Reader

Found a lost pet?

Our Pet Microchip Scanner is available 24/7. Bring them to the Simpsonville Police Dept, scan the animal, and follow the instructions to report this information to a police officer or call our non-emergency line **864-967-9536**.

Meet Officer Darren Payne

Officer Payne is a dedicated officer with 13+ years of law enforcement experience. His knowledge and expertise range from childhood education, community policing, and patrol. His compassion for every citizen of Simpsonville both human and animal make him an ideal resource for the City's Animal Control Division.
