# *LEAGUE ESTATES*

## Recommendations:

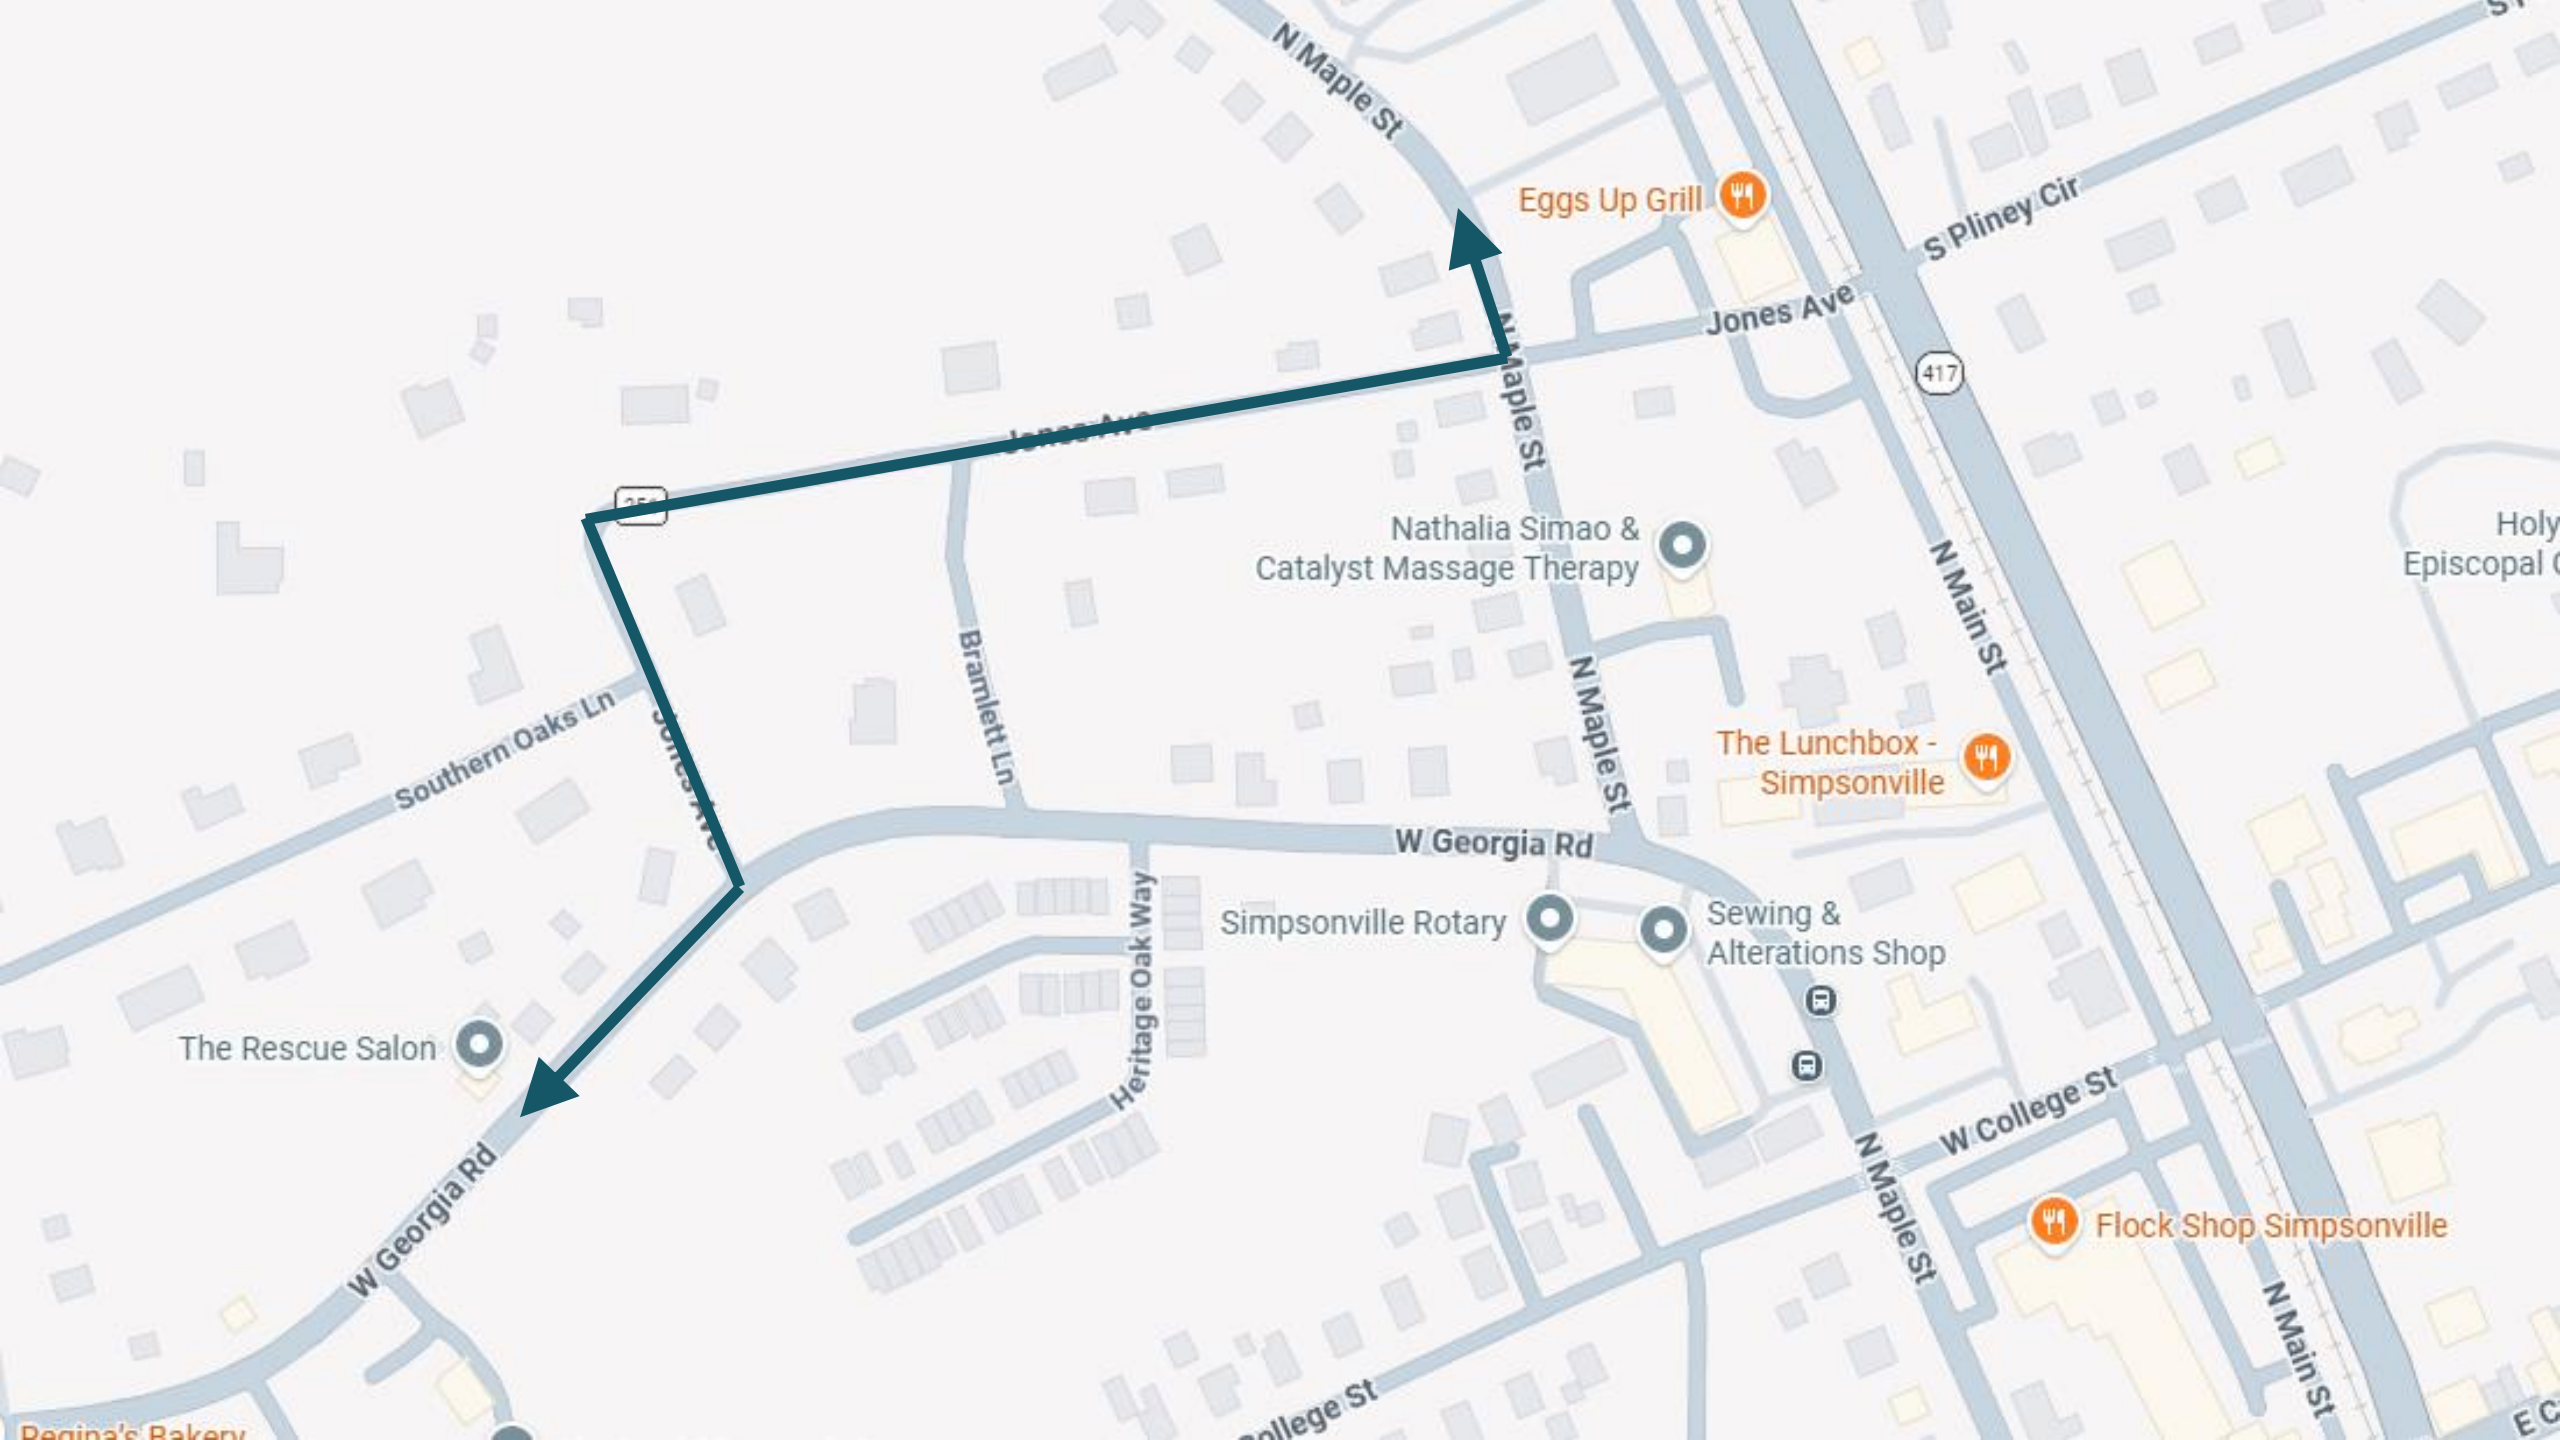

- Diagonal diverter at S. Pliney Circle & Hunter Street
- Two speed humps on N. Pliney Circle

## Results:

- Provides a fourth means of ingress/egress
- Retains connectivity for all streets

# *JONES AVENUE*

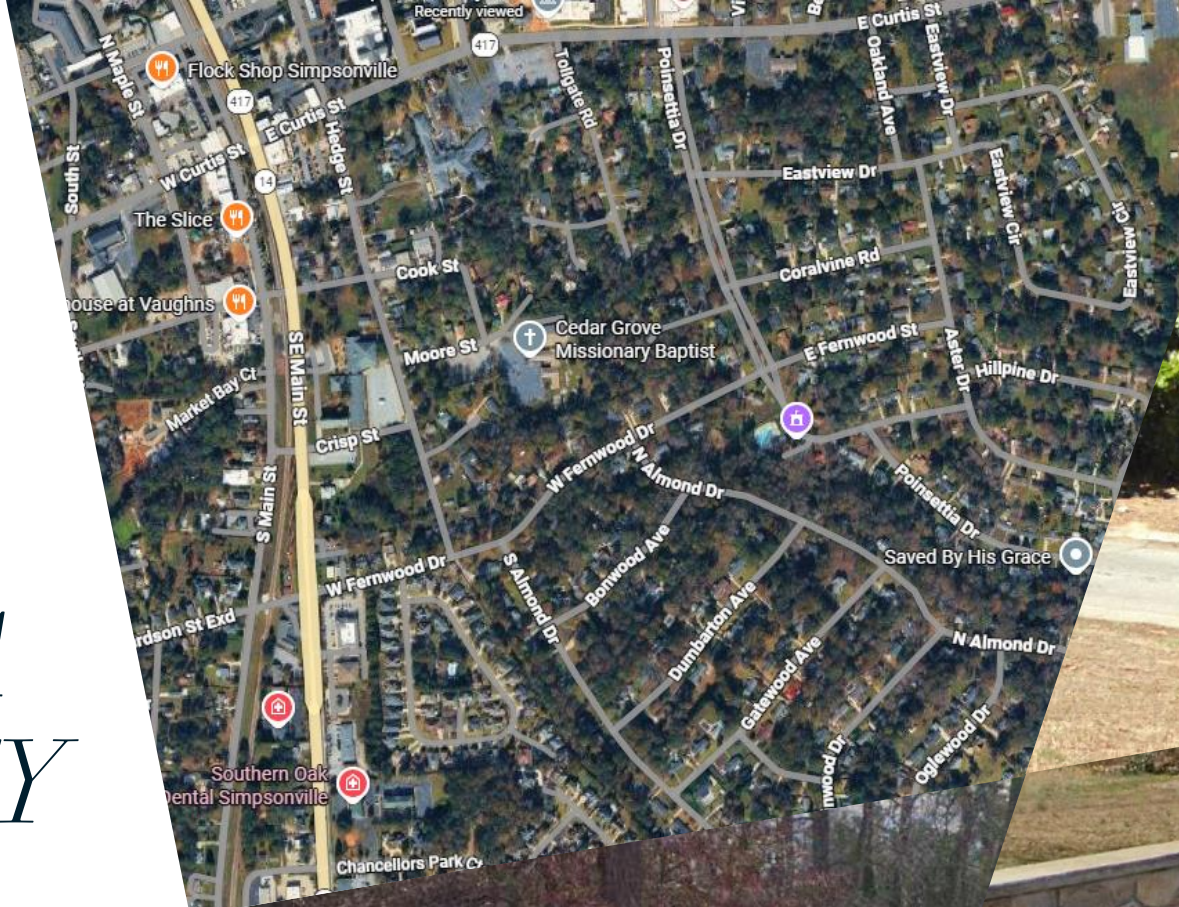

## Recommendations:

- Two speed humps on Jones Avenue between Southern Oaks Lane and N Maple Street

## Results:

- Forces traffic to slow down
- Makes the cut-through route less convenient
- Does not isolate any part of the neighborhood

PROPOSED CONCRETE MEDIAN

CRISP STREET

HEDGE STREET

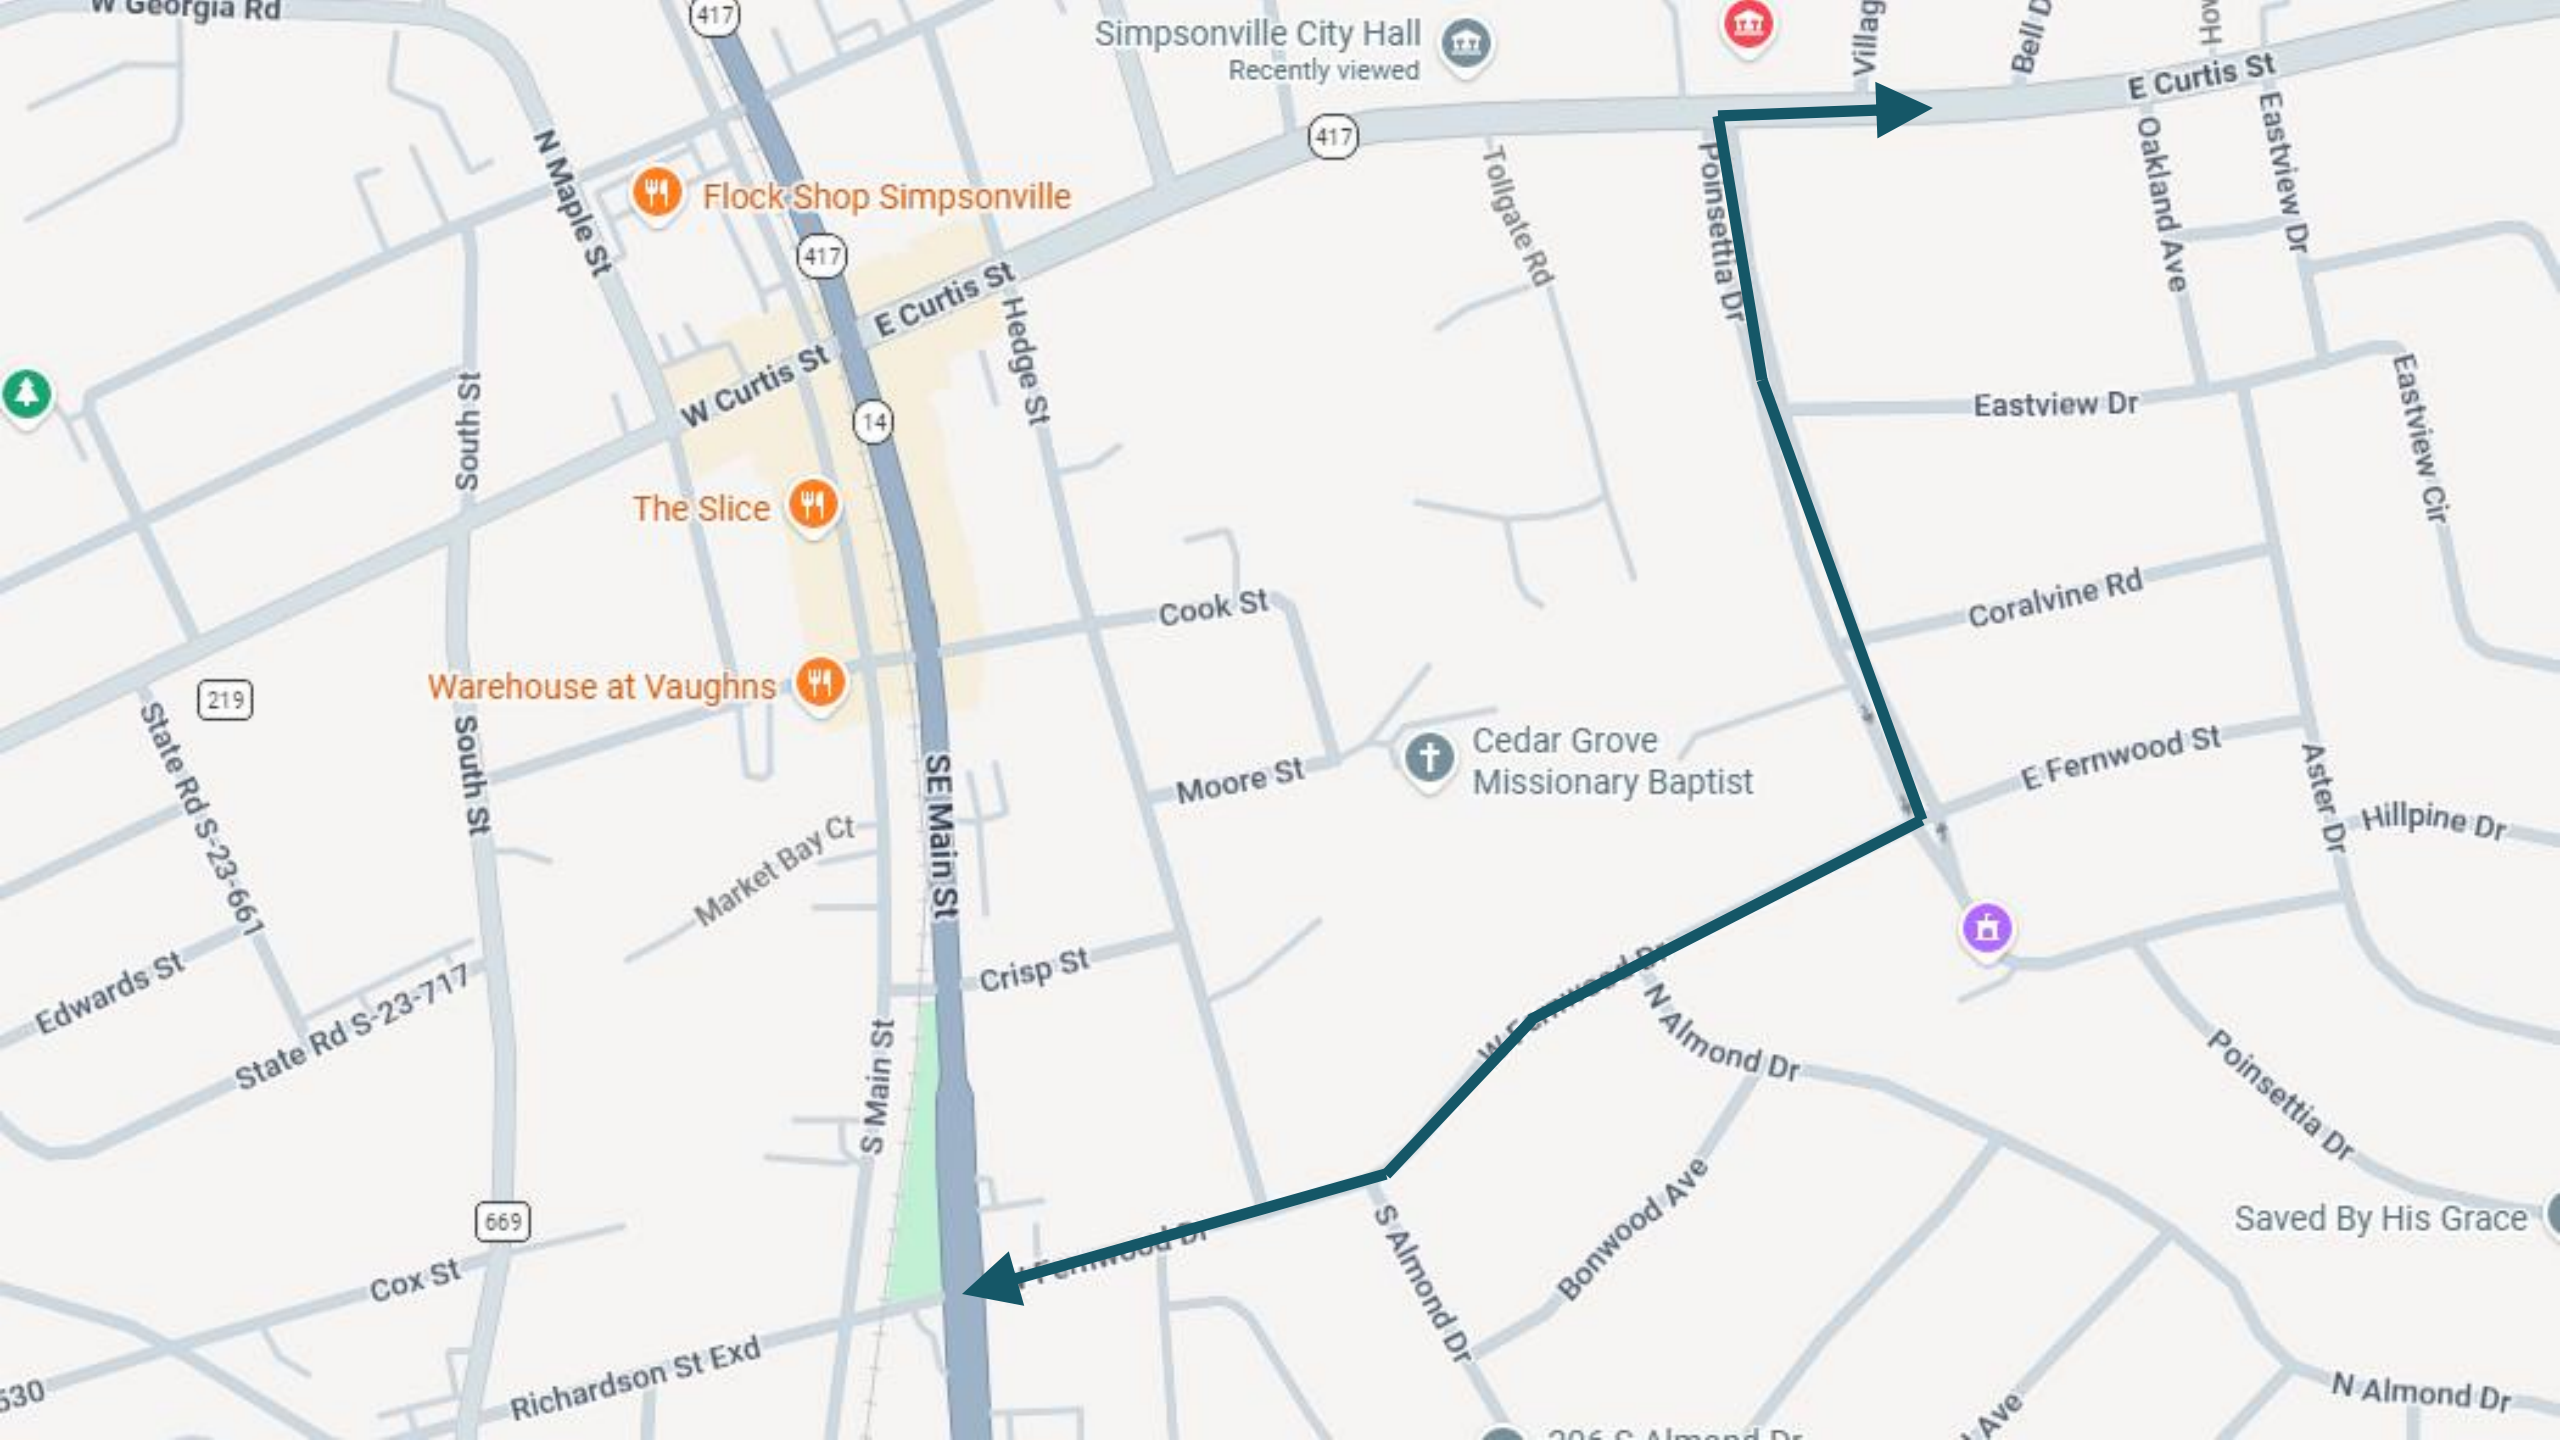

# *HEDGE STREET*

## Recommendations:

- A northbound half closure on Hedge Street at Moore Street
- A southbound half closure on Hedge Street at Crisp Street

## Results:

- Hedge Street would no longer be a “through” street from E Curtis Street to Fernwood Drive
- Forces through traffic to stay on E Curtis Street and SE Main Street

POINSETTA DRIVE

PROPOSED EXTENSION OF  
EXISTING CURB MEDIAN

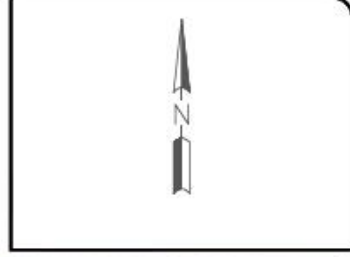

E FERNWOOD STREET

POINSETTIA DRIVE

CORALVINE ROAD

PROPOSED CONCRETE MEDIAN

# *POINSETTIA DRIVE*

## Recommendations:

- A partial median closure at Poinsettia Drive and Fernwood Drive
- A forced turn island in the southbound lane of Poinsettia Drive at Coralvine Road

## Results:

- Disrupts the direct cut-through route of Fernwood Drive/Poinsettia Drive
- Requires cut-through traffic to travel further and make more turns
- Does not isolate large sections of the neighborhood
