AN ORDINANCE TO ESTABLISH REQUIREMENTS FOR THE NAMING OF CITY-OWNED OR CITY-CONTROLLED PROPERTY, FACILITIES, PUBLIC SPACES, AND INFRASTRUCTURE IN HONOR OF INDIVIDUAL PERSONS

WHEREAS, the City of Simpsonville City Council reviews its ordinances and policies from time to time to make necessary improvements and changes concerning the governance and administration of the City; and,

WHEREAS, S.C. Code § 5-7-30 authorizes municipalities to enact regulations, resolutions, and ordinances, not inconsistent with the Constitution and general law of this State, respecting matters necessary and proper for the general welfare, convenience, and good government of the municipality; and,

WHEREAS, S.C. Code § 5-11-30 vests the legislative powers of a municipality operating under the council-manager form of government, and the determination of all matters of policy, in the municipal council; and,

WHEREAS, the names assigned to City-owned or City-controlled property, facilities, public spaces, and infrastructure can have enduring civic significance and may serve to recognize individuals whose contributions have a direct and substantial relationship to a particular public asset; and,

WHEREAS, the City Council desires to establish a uniform rule that City-owned or City-controlled property, facilities, public spaces, and infrastructure shall not be named in honor of a living person, except in the limited circumstance of a donor who has made a significant contribution to the specific public asset and has stipulated the naming in writing as a condition of that contribution; and,

WHEREAS, the City Council further desires to require that at least one (1) year elapse following the death of an individual before City-owned or City-controlled property, facilities, public spaces, or infrastructure may be named in honor of that deceased individual; and,

WHEREAS, the City Council finds and determines that this Ordinance is in the best interests of the citizens and residents of the City of Simpsonville.

NOW, THEREFORE, BE IT ORDAINED by the Mayor and Council of the City of Simpsonville as follows:

Section 1. Adoption. Chapter 2. Article 1. Section 2-3 of the City of Simpsonville Code of Ordinances is hereby amended by adding a new section, to be numbered by the codifier, as follows:

Sec. 2-3. **Naming of City-owned or City-controlled property and infrastructure in honor of individual persons.**

(a) Scope and definition. This section applies to the formal naming or renaming, in honor of an individual person, of any property, facility, public space, public improvement, or infrastructure owned or controlled by the City and within the City's legal authority to name. For purposes of this section, such property and infrastructure includes, without limitation, real property; buildings and portions of buildings; rooms and meeting spaces; parks; recreation areas; playgrounds; athletic fields, courts, and facilities; shelters and pavilions; trails and greenways; plazas and squares; streets, roads, alleys, bridges, sidewalks, and rights-of-way; utility facilities; public works improvements; and other municipal assets, structures, installations, or public spaces.

(b) Living persons prohibited. Except as expressly provided in subsection (d), no property, facility, public space, public improvement, or infrastructure subject to this section shall be named or renamed in honor of a living person.

(c) Deceased persons; one-year waiting period. No property, facility, public space, public improvement, or infrastructure subject to this section shall be named or renamed in honor of a deceased person until at least one (1) full year has elapsed from the date of that person's death.

(d) Limited exception for living donors. Notwithstanding subsection (b), City Council may approve the naming of a specific property, facility, public space, public improvement, or infrastructure in honor of a living person only when all of the following apply:

(1) The person has contributed land, money, or other significant resources specifically to the property, facility, public space, public improvement, or infrastructure proposed to bear the person's name;

(2) The donor has stipulated in writing, as a condition of the contribution, that the specific property, facility, public space, public improvement, or infrastructure be named in the donor's honor; and

(3) City Council accepts the contribution and the written naming condition. The exception created by this subsection permits, but does not require, City Council to accept the contribution or approve the naming.

(e) Construction; state-law requirements. This section establishes eligibility requirements for honorary naming and does not alter or supersede any naming or renaming procedure, approval, restriction, or prohibition imposed by state law. Without limitation, street and road naming or renaming shall remain subject to S.C. Code § 6-29-1200, and no action shall be taken under this section in violation of S.C. (a) Subject to the terms of this Agreement, the City hereby grants to SEGRA the non-exclusive right to construct, install, maintain, locate, move, operate, place, protect, reconstruct, reinstall, relocate, remove, and replace fiber optic or other cable and related facilities for the provision of telecommunications service in the public streets and public rights-of-way as shown on **Exhibit "A**,**"** only. SEGRA shall be solely responsible for obtaining any required consents from State agencies or private parties to the extent that its operations affect State or private property.

(b) SEGRA acknowledges that this grant of authority is for the benefit of SEGRA only, and that SEGRA is not authorized to lease, sublease, assign or otherwise allow other providers to use or occupy the public rights-of-way identified on **Exhibit "A"** except in accordance with provisions of this Agreement.

(c) SEGRA acknowledges that, to the extent allowed by State and Federal law, the City has the authority to adopt ordinances regulating the use of the public rights-of-way, so long as such ordinances apply equally to all certificated providers of telecommunications services and are related to using the public streets and public rights-of-way in the City. SEGRA agrees to be bound by all such future lawful ordinances so long as it operates telecommunication services or has property or equipment within the public streets or rights-of-way located in the City.

(d) This Agreement is not a grant by the City of any fee simple or other property interest except as expressly contemplated by this Agreement and is made subject and subordinate to the prior and continuing right of the City to use the public streets and public rights-of-way occupied by SEGRA for the purpose of laying, installing, maintaining, repairing, protecting, replacing, and removing sanitary sewers, water mains, storm drains, gas mains, poles and other equipment for municipal uses and with the right of ingress and egress, along, above, over, across and in said public streets and public rights-of-way.

(e) This Agreement shall be in full force and effect from and after the date of its approval by the City Council governing body; provided, however, that notwithstanding such approval, this Agreement shall not become effective until all required bonds, certificates of insurance and other instruments required by this Agreement have been filed with, and accepted and approved by the City, which acceptance and approval shall not be unreasonably delayed, conditioned, or withheld.

Section 3. Term of Agreement. The term of this Agreement shall be for an initial term of twenty years, commencing on the Effective Date ("Initial Term"). Unless either party gives ninety (90) days written notice of its intention to terminate the Agreement prior to the end of the Initial Term, the Agreement shall thereafter automatically renew for up to three (3) additional ten (10) year terms, for a maximum of fifty (50) years (each a "Renewal Term"); however, such renewal shall not automatically occur if a material, uncured breach has not been remedied and the non-breaching party provides ninety (90) days' written notice prior to the end of a Renewal Term. Upon termination of this Agreement as herein provided, and unless the parties are in active good faith negotiation of a replacement agreement or otherwise agree in writing to an extension, SEGRA shall be prohibited from further access to the public rights-of-way.

Section 4. Compliance With Applicable Law. SEGRA shall at all times during the term of this Agreement, including any renewal period, comply with all applicable federal, state, and local laws, ordinances, and regulations. Expressly reserved to the City is the right to adopt, in addition to the provisions of this Agreement and existing laws,

such additional ordinances and regulations as are necessary for the lawful exercise of its police power for the benefit and safety of the public.

Section 5. Construction; Location or Relocation of Facilities. All SEGRA facilities shall be constructed, installed, and located according to the terms and conditions contained herein, unless otherwise specified by the City.

5.1. SEGRA shall place telecommunication facilities underground where commercially reasonable and subject to the rights and obligations set forth in Sections 5.8 and 5.9 below. Commercially reasonable means, with respect to any action required to be made, attempted or taken by SEGRA under this Section 5.1, the level of effort in light of the facts known to SEGRA at the time a decision is made that: (a) can reasonably be expected to accomplish the desired action without a material increase in costs incurred by SEGRA; (b) is consistent with industry practices; and (c) takes into consideration the amount of advance notice required to take such action, the duration and type of action, and the competitive environment in which such action occurs.

5.2 Reserved.

5.3. Whenever existing overhead electric utilities, cable facilities or telecommunications facilities are relocated underground within a particular segment of a street or public right-of-way of the City, SEGRA shall relocate its facilities underground within a reasonable amount of time after notification by the City that such facilities must be relocated. Absent extraordinary circumstances or undue hardship as reasonably determined by the City, such relocation shall be made concurrently to minimize the disruption of the public streets or public rights-of-way.

5.4. SEGRA shall obtain all required permits for the construction or installation of its facilities as required in this Agreement, provided, however, that nothing in this Agreement shall prohibit the City and SEGRA from agreeing to an alternative plan to review permit and construction procedures, provided such alternative procedures provide substantially equivalent safeguards for responsible construction practices.

5.5. In the performance and exercise of its rights and obligations under this Agreement, SEGRA shall not interfere in any manner with the existence and operation of any public street and public or private right-of-way, sanitary sewer, water line, storm drain gas main, pole, overhead or underground electric and telephone wires, television cables, public works, facilities of other telecommunication providers, or City Property, without the prior approval of the City.

5.6. Except as may be expressly provided herein, nothing in this Agreement shall be construed to abrogate or limit the right of the City to perform any public works or public improvements. If any facilities of SEGRA interfere with the construction, operation, maintenance, repair or removal of such public works or public improvements, within ninety (90) days after written notice by the City (or such other period of time set forth in Section 5.7 or as may be agreed upon in writing by the City and SEGRA), SEGRA shall, at its own expense protect, alter, remove or relocate facilities, as directed by the City Administrator or City Engineer. If SEGRA fails to so protect, alter, remove, or relocate equipment within such period, the City may break through, remove, alter, or relocate the facilities of SEGRA without any liability to City, and SEGRA shall pay to the City the costs incurred in connection with such breaking through, removal, alteration, or relocation. SEGRA shall also reimburse the City for or bear any additional cost actually incurred by the City as a result of SEGRA's failure to comply with the City's request to protect, alter or remove equipment under this Agreement. The City may collect such costs, and any reasonable expenses and attorney fees incurred in collecting such costs, as debts owed to the City, by bringing action in any court of competent jurisdiction or exercising the City's rights to draw on bonds or in any other lawful manner, individually or in combination.

5.7. The City retains the right and privilege to cut or move any telecommunications facilities located within the public ways or other areas of the City as the City may determine to be necessary, appropriate, or useful in response to any life-threatening emergency. The City will endeavor to provide prior notice to SEGRA of such emergencies which may impact its telecommunications facilities. If City is unable to provide prior notice of the life-threatening emergency as described above, City shall notify SEGRA within twenty-four (24) hours of the occurrence of such emergency.

5.8. The facilities of SEGRA shall be located so as not to interfere with public safety or, to the extent possible, with the convenience of persons using the public streets or rights-of-way. SEGRA shall construct, maintain, and locate its telecommunications system so as not to interfere with the construction, location and maintenance of sewer, water, drainage, electrical, signal, and fiber optic facilities of the City.

5.9. The City shall have the right to specifically designate the location of the facilities of SEGRA with reference to the City's ongoing streetscape project, decorative or historic features owned by the City, sewer and water mains, drainage facilities, fiber optic cable, signal poles and lines and similar services, other facilities, such as public telephone utilities, public electric utilities, cable television facilities, and railway, communication, and power lines, in such a manner as to protect future development

plans related to the City streetscape project, the public safety and public and private property. Failure by the City to designate the location of SEGRA's facilities shall not relieve SEGRA of its responsibilities in matters of public safety, as provided in this Agreement.

5.10. Except in the cases of emergencies, SEGRA shall not move, alter, change, or extend any of its telecommunications system in any public street or public right-of-way unless prior written notice of its intention to do so is given to the City Administrator and permission in writing to do so is granted, or such requirement is waived, by the City Administrator. The City Administrator shall either approve or deny SEGRA's request to relocate its facilities within five (5) days of receipt of SEGRA's request. Such permission shall not be unreasonably withheld by the City Administrator and shall be conditioned upon compliance with the terms and conditions of this Agreement, with such other terms and conditions as will preserve, protect and promote the safety of the public using the public ways, and as will prevent undue interference with or obstruction of the use of the public ways by the public, the City or by any other public utility, public service corporation or cable operator for their respective purposes and functions. Such work by SEGRA shall also be coordinated with the City's annual paving program through the Office of the City Engineer.

5.11. SEGRA shall not open, disturb or obstruct, at any time, any more of the public streets or public rights-of-way than is reasonably necessary to enable it to proceed in laying or repairing its telecommunications system. SEGRA shall not permit any public street or public right-of-way so opened, disturbed, or obstructed by it to remain open, disturbed, or obstructed for a longer period of time than shall be reasonably necessary. In all cases where any public street or public right-of-way is excavated, disturbed, or obstructed by SEGRA, SEGRA shall take all precautions necessary or proper for the protection of the public and shall maintain adequate warning signs, barricades, signals, and other devices necessary or proper to adequately give notice, protection, and warning to, the public of the existence of all actual conditions present.

5.12. After the installation, removal, relocation, construction, or maintenance of the fiber optic or other cable and related facilities is completed, SEGRA shall, at its own cost, repair and return the public streets or public rights-of-way to a minimum of the same or similar condition existing before such installation, removal, relocation, construction, or maintenance, in a manner as may be reasonably specified by the City and to the reasonable satisfaction of the City. SEGRA shall be responsible for damage to City street pavements, existing utilities, curbs, gutters, and sidewalks due to SEGRA's installation, construction, maintenance, repair, or removal of its telecommunications facilities in the public streets, public rights-of-way, and shall repair, replace, and restore

in kind, the said damaged property at its sole expense. Upon failure of SEGRA to repair, replace and restore said damaged property, in a manner as may be reasonably specified by the City and to the reasonable satisfaction of the City, after sixty (60) days' notice in writing shall have been given by the City, the City may cause such necessary repairs to be made and may collect the costs incurred from SEGRA, including but not limited to, exercising the City's rights to draw on bonds. The City may collect such costs, and any expenses and attorney fees incurred in collecting such costs, as debts owed to the City, by bringing an action in any court of competent jurisdiction or in any manner allowed by law.

5.13. Neither SEGRA, nor any person acting on SEGRA's behalf, shall take any action or permit any action to be done which may impair or damage any City Property more than is reasonably necessary to enable it to install or repair its telecommunications system, including, but not limited to, any public street, public right-of-way or other property located in, on or adjacent thereto.

5.14. In the event of an unexpected repair or emergency, SEGRA may commence such repair and emergency response work as required under the circumstances, provided SEGRA shall notify the City as promptly as possible, before such repair or emergency work is started or as soon thereafter as possible if advance notice is not practicable.

5.15. SEGRA shall maintain its facilities in good and safe condition and in a manner that complies with all applicable federal, state and local requirements, laws, ordinances, and regulations.

5.16. SEGRA shall at all times employ a high standard of care and shall install and maintain and use approved methods and devices for preventing failure or accidents which are likely to cause damages, injuries, or nuisances to the public.

5.17. SEGRA shall obtain all required permits from the City and any other governmental entity having jurisdiction prior to commencing work of any nature and shall comply with all terms and conditions of any such permit. SEGRA shall furnish detailed plans of the work and other required information prior to issuance of a permit. SEGRA shall comply with all applicable ordinances and permitting requirements.

The City retains the right to deny permits or place stop work orders in the event SEGRA is in violation of the terms of this Agreement and all applicable federal, state and local requirements, laws, ordinances, and regulations.

A single permit may be issued for multiple excavations to be made in public streets and rights-of-way. Exceptions to the requirement for a written permit may be allowed in cases of emergencies involving public safety or restoration of service. In the case of emergency excavations made in a public street or public right-of-way without a permit, SEGRA shall make a report of each such excavation to the City within two (2) working days. Any permit application and inspection related to repair of excavations shall be promptly acted upon by the City so as not to unreasonably delay SEGRA in efficiently discharging its public service obligation and in any event shall be granted or denied within thirty (30) days from submission and, if denied, accompanied by a written explanation of the reasons the permit was denied and the actions required to cure the denial.

5.18. (a) Promptly after installation, repair or extension of the telecommunications system or any portion thereof or any pavement cut by SEGRA in any public way of the City, the incidental trenches or excavations shall be refilled by SEGRA in a manner acceptable to the City Administrator or his designee. Pavement, sidewalks, curbs, gutters or any other portions of public ways damaged, disturbed or destroyed by such work shall be promptly restored and replaced with like materials to their former condition by SEGRA at its own expense; however, where it is necessary, and if authorized by the City, in order to achieve the former conditions, SEGRA shall use materials whose type, specification and quantities exceed or are different from those used in the installation, then SEGRA at its own expense shall provide such different materials. Where a cut or disturbance is made in a section of sidewalk or paving, rather than replacing only the area actually cut, SEGRA shall replace the full width of the existing sidewalk or appropriate sections of paving as determined by the City Engineer and the full length of the section or sections cut, a section being defined as that area marked by expansion joints or scoring or as determined by the City Engineer. SEGRA shall maintain, repair, and keep in good condition for a period of one (1) year following such disturbance all portions of public ways disturbed by SEGRA, provided such maintenance and repair shall be necessary because of defective workmanship or materials supplied by SEGRA.

(b) All trees, landscaping and grounds removed, damaged, or disturbed as a result of the construction, installation maintenance, repair or replacement of telecommunications facilities shall be replaced or restored, as nearly as may be practicable, to the condition existing prior to performance of work. All restoration work within the public ways or other areas shall be done in accordance with landscape plans approved by the City.

5.19. (a) SEGRA shall promptly remove or correct any obstruction, damage, or defect in any public street or public right-of-way caused by SEGRA in the installation, operation, maintenance, or extension of SEGRA's telecommunications system. Any such obstruction, damage, or defect which is not promptly removed, repaired, or corrected by SEGRA after thirty (30) days' notice to do so, given by the City to SEGRA, may be removed or corrected by the City, and the cost thereof shall be charged against SEGRA and payable on demand. Any expense, cost, or damages incurred for repair, relocation, or replacement to City water, sanitary sewer, storm sewer, storm drainage, telecommunication facilities or other property resulting from construction or maintenance of SEGRA telecommunications system shall be borne by SEGRA and any and all expense and cost incurred in connection therewith by the City shall be fully reimbursed by SEGRA to the City.

(b) If weather or other conditions do not permit the complete restoration required by this Section, SEGRA shall temporarily restore the affected property. Such temporary restoration shall be at SEGRA's sole expense and SEGRA shall only be required to make reasonable, temporary restorations based on the conditions. SEGRA shall promptly undertake and complete the required permanent restoration when the weather or other conditions no longer prevent such permanent restoration.

(c) SEGRA or other person acting on its behalf shall use suitable barricades, flags, flaggers, lights, flares and other measures as required for the safety of all members of the general public and to prevent injury or damage to any person, vehicle or property by reason of such work in or affecting such ways or property and shall comply with all federal, state, and local laws and regulations, including, but not limited to, the flagging requirements of the South Carolina Department of Transportation.

5.20. Except in the case of the City's negligence or intentional or willful misconduct, the City, its officers, agents, or employees, shall not be liable for any damage to or loss of any of SEGRA's telecommunications services or telecommunications facilities within the public ways or any other areas of the City as a result of or in connection with any public works, public improvements, construction, excavation, grading, filling, or work or activity or lack of any activity of any kind by or on behalf of the City.

5.21. SEGRA shall cooperate with the City in coordinating its construction activities as follows:

(a) SEGRA shall provide the City with a schedule of its proposed construction activities prior to commencing any expansion of its backbone system;

(b) Upon request, SEGRA shall meet with the City and other users of the public ways to coordinate construction in the public ways; and

(c) All construction locations, activities and schedules shall be coordinated, as directed by the City Engineer, to minimize public inconvenience, disruption, or damages. SEGRA shall submit a written construction schedule to the City Engineer at least ten (10) working days before commencing any work in or about the public streets or public rights-of-way. SEGRA shall further notify the City Engineer not less than five (5) working days in advance of such excavation or work and shall comply with the provisions of the South Carolina Underground Facility Damage Prevention Act, South Carolina Title 58, Chapter 36.

Section 6. Mapping. (a) SEGRA shall maintain an accurate map of its telecommunications facilities in the City. SEGRA shall provide the City with "as built" drawings and an accurate map or maps showing the location of its facilities, including pole lines and conduit lines and any other facilities requested by the City, to include a digitized map(s) in both printed and electronic form. SEGRA shall, upon request, provide updated maps annually of telecommunications facilities in the City.

(b) If any of the requested information of SEGRA in this Agreement is considered proprietary, confidential, or a trade secret, SEGRA will notify the City of this opinion and the City will keep such information confidential to the extent permitted by the South Carolina Freedom of Information Act (South Carolina Code Title 30 Chapter 4) or other any successor statute or law. As for new installations, after the effective date of this franchise, SEGRA shall submit the proposed Mapping of its plans for new construction to the City prior to any construction. As-built drawings of any new construction of facilities shall be furnished to the City within sixty (60) days of completion of such construction. All as-built maps and drawings shall be drawn to scale and reference to a physical City benchmark to the extent the physical benchmark is in reasonable proximity to SEGRA new installation. All mapping shall be provided in a format compatible to the City's present and future mapping systems. Alternatively, SEGRA will pay for the cost of making the mapping compatible.

(c) Prior to its installation of any Telecommunications facilities in the public streets or public rights-of-way and after SEGRA provides the City with its proposed plans for the Telecommunications facilities, the City may in its reasonable discretion designate certain locations to be excluded from use by SEGRA for its Telecommunications facilities, including, but not limited to, ornamental or similar specially designed streets lights or other

facilities or locations which, in the reasonable judgment of the City Engineer, do not have electrical service adequate for or appropriate for SEGRA's facilities or cannot safely bear the weight or wind loading thereof, or any other facility or location that in the reasonable judgment of the City Engineer is incompatible with the proposed Telecommunications facilities or would be rendered unsafe or unstable by the installation. The City Engineer may further exclude certain other facilities that have been designated or planned for other use or are not otherwise proprietary, legal, or other limitations or restrictions as may be reasonably determined by the City. In the event such exclusions conflict with reasonable requirements of SEGRA, the City will cooperate in good faith with SEGRA to attempt to find suitable alternatives, if available, provided that the City shall not be required to incur financial costs nor require the City to acquire new locations for SEGRA. SEGRA shall, prior to any excavation or installation within the public streets or public rights-of-way, provide sufficient notification and joint installation opportunity on a shared cost basis to potential users of the public streets or public rights-of-way as may be provided for by a separate City policy. Such notification and adopted policies shall be designed to maximize co-location of providers to minimize the disturbance to the public streets or public rights-of-way and maximize its useable capacity.

Section 7. Insurance Requirements. At all times during the term of this Agreement and any renewal period, SEGRA shall, at its expense, maintain the following insurance policies. Any required insurance shall be in a form and with an insurance company authorized to do business in South Carolina and have a rating of no less than A- VII by A.M. Best Co.

(a) *Commercial General Liability.* Commercial General Liability insurance coverage on an occurrence basis insuring against all claims, loss, cost, damage, expense, or liability from loss of life or damage or injury to persons or property arising out of any of the work or activity under or by virtue of this Agreement. The minimum limit of liability for such coverage shall be Two Million Dollars ($2,000,000) combined single limit for any one occurrence. However, the parties acknowledge that SEGRA may meet the policy limit in this section by combination of SEGRA's General Commercial Liability Policy and SEGRA's Umbrella or Excess Liability Policy.

(b) *Contractual Liability.* Broad form Contractual Liability insurance, including the indemnification obligations of SEGRA set forth in this Agreement.

(c) *Workers' Compensation.* Workers' Compensation insurance covering SEGRA's statutory obligation under the laws of South Carolina and Employer's Liability insurance for all its employees engaged in work under this Agreement.

(d) *Automobile Liability.* Automobile Liability insurance having minimum limits of liability of One Million Dollars ($1,000,000) combined single limit applicable to owned or non-owned vehicles used in the performance of any work under this Agreement.

(e) *Pollution Liability Insurance.* SEGRA shall maintain during the life of this Agreement Pollution Liability Insurance in the amount of One Million Dollars ($1,000,000) for each occurrence. Coverage shall be provided for bodily injury and property damage resulting from pollutants which are discharged suddenly and accidentally. Such insurance shall also provide coverage for cleanup costs.

(f) *Umbrella Coverage.* The insurance coverages and amounts set forth in this Section may be met by an umbrella liability policy following the form of the underlying primary coverage in a minimum amount of Five Million Dollars ($5,000,000).

(g) Prior to commencing construction pursuant to this Agreement or within ten (10) days after the granting of the franchise contemplated by this Agreement, whichever is sooner, SEGRA shall provide the City with a memorandum certificate or certificates of insurance, showing the type, amount, effective dates, and date of expiration of the policies, and thereafter prior to the expiration of any such policy or change in the amount or conditions, of coverage. Such certificate or certificates and evidence of insurance shall include the City, its officers, agents, and employees as additional insureds. SEGRA shall obtain a written obligation on the part of each insurance company to notify SEGRA at least thirty (30) days before cancellation or a material change of any such insurance. Upon receipt of such notice from SEGRA's insurance company, SEGRA will immediately notify the City of any of the required coverages that are not replaced.

Section 8. Surety.

(a) Within ten (10) days after the Effective Date of this Agreement, and prior to the commencement of any construction by SEGRA, SEGRA shall furnish and file with the City an irrevocable bond, in a form and by a surety authorized to do business in South Carolina, in the amount of Fifty Thousand Dollars ($50,000) securing its faithful performance of the terms and conditions of this Agreement. SEGRA shall maintain such bond for the duration of this Agreement, unless otherwise agreed to in writing by the City. Failure to maintain the bond shall be deemed a material default by SEGRA of this Agreement.

The bond shall guarantee SEGRA's faithful performance of the terms and conditions of this Agreement, including, but not limited to: (1) the timely completion of construction; (2) compliance with applicable plans, permits, technical codes and standards; (3) proper location of the facilities as specified by the City; (4) restoration of the public ways and other property affected by the construction as required by this Agreement; (5) the submission of "as-built" drawings after completion of the work as required by this Agreement; (6) timely payment and satisfaction of all claims, demands or liens for labor, material or services provided in connection with the work; and (7) the payment by SEGRA of all lawful liens, taxes, damages, claims, costs or expenses which the City has been compelled to pay or has incurred by reason of any act or default of SEGRA under this Agreement and all other payments due the City from SEGRA pursuant to this Agreement.

(b) Whenever the City determines that SEGRA has violated one (1) or more terms, conditions, or provisions of this Agreement for which relief is available against the bond, a written notice shall be given to SEGRA. The written notice shall describe in reasonable detail the violation so as to afford SEGRA an opportunity to remedy the violation. SEGRA shall have thirty (30) days subsequent to receipt of the notice in which to correct the violation before the City may make demand upon the bond. Failure to maintain the bond shall be a martial default under this Agreement.

(c) Such bond shall be in addition to any performance, defect bond, or other surety required by the City in connection with the issuance of any construction or any successor ordinance.

Section 9. Indemnification. SEGRA agrees to indemnify, defend and hold harmless the City, its officers, employees and agents from and against all claims, demands, losses, damages, liabilities, fines, and penalties, and all costs and expenses incurred in connection therewith, including, without limitation, reasonable attorney's fees and costs of defense (collectively, the losses), arising out of any damages or injuries caused by SEGRA or breach by SEGRA of the terms and conditions of this Agreement, except to the extent proximately caused by the negligence or willful misconduct of the City, its officers, employees and agents. In addition, SEGRA shall protect, indemnify, and hold harmless the City, its officers, agents, and employees, from any and all demands for fees, claims, suits, actions, causes of action, or judgments based on the alleged infringement or violation of any patent, invention, article, arrangement, or other apparatus that may be used in the performance of any work or activity arising out of the use of any Telecommunication facilities or the provision of Telecommunication service, except to the extent proximately caused by the negligence or willful misconduct of the City, its officers, employees or agents.

The City is a governmental entity and political subdivision of the State of South Carolina and enjoys sovereign immunity, as well as the imposition of duties and protections afforded by the South Carolina Tort Claims Act. Although the City cannot, by law, hold harmless and indemnify any contracting party, subject to the application of the aforementioned laws and to the limits of its insurance, the City agrees that SEGRA shall not be liable from and against all claims, liabilities, penalties, fines, costs, damages, losses, causes of action, suits, demands, judgements and expenses (including, court costs and attorney's fees) of any nature, kind or description of any acts of negligence by the City, or its employees and agents, related to the City's breach of the terms and conditions of this Agreement.

Section 10. Hazardous Substances. In its performance of this Agreement, SEGRA shall not transport, dispose of, or release any hazardous substance, material, or waste, except as necessary in performance of its work under this Agreement, and in any event SEGRA shall comply with all federal, state, and local laws, rules, regulations, and ordinances controlling air, water, noise, solid wastes, and other pollution, and relating to the storage, transport, release, or disposal of hazardous material, substances, or waste. Regardless of the City's acquiescence, SEGRA shall indemnify and hold the City, its officers, agents, employees, and volunteers harmless from all costs, claims, damages, causes of action, liabilities, fines, or penalties, including reasonable attorney's fees, resulting from SEGRA's violation of this section and agrees to reimburse City for all costs and expenses incurred by the City in eliminating or remedying such violations. SEGRA also agrees to reimburse the City and hold the City, its officers, agents, employees, and volunteers harmless from any and all costs, expenses, attorney's fees and all penalties or civil judgments obtained against any of them as a result of SEGRA's use or release of any hazardous substance or waste onto the ground, or into the water or air from, near or upon the City's premises. For purposes of this Section, the following definitions shall apply:

"Hazardous Substances" means asbestos and any and all pollutants, dangerous substances, toxic substances, hazardous wastes, hazardous materials and hazardous substances as referenced or defined in, or pursuant to, any federal, state, local or other applicable environmental law, statute, ordinance, rule, order, regulation or standard in effect on the date hereof including, without limitation, the Resource Conservation and Recovery Act (42 U.S.C 6901, *et seq.),* as amended, the Federal Insecticide, Fungicide and Rodenticide Act (7 U.S.C. 136, *et seq.),* as amended, the Comprehensive Environmental Response, Compensation and Liability Act (42 U.S.C. 9601, *et seq.),* as amended, and the Toxic Substances Control Act (15 U.S.C. 2601, *et seq.),* as amended.

As used in this Section, "release" includes the placing, releasing, depositing, spilling, leaking, pumping, emitting, emptying, discharging, injecting, escaping, leaching, disposing, or dumping of any substance.

Section 11. Fees

(a) In consideration of the grant of authority to utilize the streets and public places of the City for the provision of Telecommunications Service, and in accordance with Applicable Law and ordinances, SEGRA shall pay such franchise fees, business license taxes, and administrative fees as are presently permitted by Article 20 of Chapter 9 of Title 58 of the 1976 Code of Laws of South Carolina, as enacted in 1999, and as may be enacted and imposed by the City. SEGRA shall also pay all such ad valorem taxes, service fees, sales taxes, or other taxes and fees as may now or hereafter be lawfully imposed on other businesses within the City. Provided, however, that in the event that Article 20 of Chapter 9 of Title 58 of the 1976 Code of Laws of South Carolina, as enacted in 1999, or other laws governing franchise fees, business license taxes and/or other fees with respect to Telecommunications Service shall be substantially modified by subsequent legislation or court decision, the provisions herein contained shall be brought into conformity with the changes in the Applicable Law by appropriate amendment to this Agreement. If the limitations on the amount of franchise fees, administrative fees, and business license taxes on Telecommunications Service providers presently contained in said statute shall be removed or modified, the City will be free, by amendment to this ordinance, to impose such fair, reasonable, competitively neutral, and non-discriminatory fees and taxes as may then be permitted by that statute or by such Applicable Law as may then govern; SEGRA will be free to challenge any fee structure not in compliance with Applicable Law.

(b) For the use of the Right of Way, as defined by S.C. Code Section 58-9-2230, to provide Telecommunications Service, SEGRA shall pay to the City a franchise fee in the amount of $1,000.00 per annum which fee is in lieu of any permit fee, encroachment fee, degradation fee, or other fee assessed on a Telecommunications Service provider for use of the Right of Way to the extent required by S.C. Code Section 58-9-2230. The initial franchise fee shall be paid to City on or before the effective date, and thereafter on January 2 of each calendar year this Agreement remains in effect.

(c) Interest will be charged on any late payment at the maximum rate permitted under state law, or if there is no such rate, the interest will be 1.5% per month a payment is late.

Section 12. General provisions.

(a) *Authority.* SEGRA warrants and represents that it has obtained all necessary and appropriate authority and approval from all applicable federal and state agencies or authorities to provide all telecommunications facilities and services it intends to provide within the City, and upon request by the City will provide evidence of such authority.

(b) *Other remedies.* Nothing in this Agreement shall be construed as waiving or limiting any rights or remedies that the City or SEGRA may have, at law or in equity, for enforcement of this Agreement.

(c) *Severability.* If any section, subsection, sentence, clause, phrase, or other portion of this Agreement, or its application to any person, is, for any reason, declared invalid, in whole or in part by any court or agency of competent jurisdiction, said decision shall not affect the validity of the remaining portions hereof.

(d) *Nonenforcement.* Neither party shall be excused from complying with any of the provisions of this Agreement by any failure of the other party, upon any one or more occasions, to insist upon strict performance of this Agreement or to seek the other party's compliance with any one or more of such terms or conditions of this Agreement.

(e) *Conflicts of law*. If there is a conflict between the provisions of this Agreement and any law, whether federal, state, or City, including all future laws and ordinances, the law and conflicting Agreement provision will, to the extent reasonably possible, be construed so as to be consistent with each other and if such construction is not reasonably possible, the conflicting provision of this Agreement shall be deemed superseded by such law and have no effect, notwithstanding the contract clause of the United States Constitution.

(f) *Controlling law and venue*. By virtue of entering into this Agreement, SEGRA agrees and submits itself to a court of competent jurisdiction in the City, South Carolina or in the United States District Court for the District of South Carolina, and further agrees that this Agreement is controlled by the laws of South Carolina or any applicable federal laws and that all claims, disputes and other matters shall be decided only by such court according to the laws of South Carolina or any applicable federal laws or by any regulatory body with jurisdiction, including the Federal Communications Commission.

(g) *Captions*. The section captions and headings in this Agreement are for convenience and reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement.

(h) *Nondiscrimination.* During the performance of this Agreement, SEGRA agrees that it will not discriminate against any employee or applicant for employment on the basis of race, religion, color, sex, handicap, or national origin. SEGRA agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause. SEGRA, in all solicitations or

advertisements for employees placed by or on behalf of SEGRA, will state that SEGRA is an equal opportunity employer. Notices, advertisements, and solicitations placed in accordance with federal law, rule, or regulation shall be deemed sufficient for the purpose of meeting the requirements herein.

(i) *Notices*. (a) Notices given pursuant to this Agreement shall be in writing and addressed as follows:

To the City: City Administrator
425 E. Curtis Street
Simpsonville, SC 29681

To SEGRA: 120 W. 12th Street
Kansas City, MO 64105

(b) Either party may change the address at which it will receive notices by providing written notice of the change to the other party.

(j) *Assignment*. SEGRA may assign or transfer this Agreement or any interest therein with the City's written consent, which consent shall not be unreasonably withheld, conditioned or delayed. Notwithstanding the foregoing, this Agreement may be assigned by SEGRA without City's written consent to any entity that purchases substantially all of the assets or ownership interests of the SEGRA; any entity that results from a merger, consolidation, or restructuring of the SEGRA; or, any entity that assumes control of the SEGRA. Upon such assignment by SEGRA, the successor entity assuming the Agreement shall execute a written document that the successor entity shall fully perform the obligations of SEGRA under this Agreement and shall be entitled to all of SEGRA's rights herein ("Assignment and Assumption Agreement"). SEGRA shall provide City with a copy of the executed Assignment and Assumption Agreement.

ALL CABLE SUPPORTS SHALL BE PLACED IN A MANNER THAN PREVENTS KINKS OR OTHER DAMAGE TO THE CABLE SHEATH.
AN ACCEPTABLE ALTERNATIVE TO CABLE SLINGS WOULD BE THE UTILIZATION OF A WIDE FLANGE "I" BEAM OR CHANNEL AS A "CABLE TRAY" WITH THE CABLES/CASES BANDED IN PLACE.

SHORING

THE CONTRACTOR SHALL PROVIDE SHORING FOR CONDUIT TRENCH EXCAVATION 42" OR MORE IN DEPTH AS MEASURED FROM THE HIGH SIDE OF THE TRENCH AND FOR ALL MANHOLE EXCAVATION.
MANHOLE SHORING SHALL BE TIGHT-SHEETED.

GENERAL NOTES

1. APPLY SEED BEFORE LAYING THE NET OR MAT. IF OPEN WEAVE NETTING IS USED, LINE MAY BE INCORPORATED BEFORE INSTALLING THE THE NET AND FERTILIZER AND SEED MAY BE SPRAYED ON AFTERWARD.
2. START LAYING THE NET FROM THE TOP OF THE STREAM BANKS AND UNROLL IT DOWN THE GRADE. ALLOW NETTING TO LAY LOOSELY ON THE SOIL, BUT WITHOUT WRINKLES. DO NOT STRETCH.
3. TO SECURE THE NET, TOR IN THE UP GRADIENT END AND TOP OF BANK PORTIONS IN A SLOT OR TRENCH NO LESS THAN 6 INCHES DEEP, COVER WITH SOIL, AND TAMP FIRMLY. STAPLE THE NET EVERY 12 INCHES ACROSS THE TOP END AND EVERY 3 FEET AROUND THE EDGES AND BOTTOM. EACH STRIP OF MATTING SHOULD ALSO BE STAPLED DOWN THE CENTER, EVERY 3 FEET.

MAINTENANCE NOTES

1. INSPECT EACH ROLLED EROSION CONTROL PRODUCTS (RECP) AT LEAST WEEKLY AND AFTER EACH SIGNIFICANT RAINFALL EVENT (0.5" OR GREATER)
2. GOOD CONTACT WITH THE GROUND MUST BE MAINTAINED, AND EROSION MUST NOT OCCUR BENEATH THE RECP.
3. ANY AREAS OF THE RECP THAT ARE DAMAGED OR NOT IN CLOSE CONTACT WITH THE GROUND SHALL BE REPAIRED AND STAPLED
4. IF EROSION OCCURS DUE TO POORLY CONTROLLED DRAINAGE, THE PROBLEM SHALL BE FIXED AND THE ERODED AREA PROTECTED.
5. MONITOR AND REPAIR THE RECP AS NECESSARY UNTIL THE GROUND COVER IS ESTABLISHED.

SILT FENCE

SILT FENCE

NOT TO SCALE

GENERAL NOTES

1. PREFABRICATED SILT FENCE IS NOT ACCEPTABLE ON THIS PROJECT.
2. STEEL POSTS SHALL BE USED ON THIS PROJECT INSTEAD OF WOOD POSTS. STEEL POSTS SHALL BE 5'-0" IN HEIGHT AND BE OF THE SELF-FASTENER ANGLE STEEL TYPE.
3. WOVEN FILTER FABRIC SHALL BE USED WHERE SILT FENCE IS TO REMAIN FOR A PERIOD OF MORE THAN 30 DAYS, FILTER FABRIC FENCE SHALL BE A MINIMUM OF 32" WIDTH AND SHALL HAVE A MINIMUM OF AT LEAST 6 LINE WIRES WITH 1'2" STAY SPACING.
4. SILT FENCE SHALL BE STANDARD STRENGTH FILTER FABRIC WITH WIRE MESH REINFORCEMENT OR EXTRA STRENGTH FILTER FABRIC. WHEN FABRIC IS USED WITH WIRE MESH , 8' CENTERED POSTS MAY BE USED. OMISSION OF THE REINFORCING WIRE IS A CONSTRUCTION CHANGE THAT NECESSITATES MORE POSTS FOR SUPPORT (I.E.. THE SPACING DISTANCE NEEDS TO BE REDUCED TO NO GREATER THAN SIX (6) FEET APART).
5. TURN SILT FENCE UP SLOPE AT ENDS.
6. THE USE OF SILT FENCE IS AREAS OF CONCENTRATED FLOW IS INAPPROPRIATE.

MAINTENANCE NOTES

1. INSPECT SEDIMENT FENCES AT LEAST ONCE A WEEK AND AFTER EACH SIGNIFICANT (0.5") RAINFALL. MAKE ANY REQUIRED REPAIRS IMMEDIATELY.
2. SHOULD THE FABRIC OF A SEDIMENT FENCE COLLAPSED, TEAR, DECOMPOSE OR BECOME INEFFECTIVE, REPLACE IT PROMPTLY.
3. REMOVE SEDIMENT DEPOSITS AS NECESSARY TO PROVIDE ADEQUATE STORAGE VOLUME FOR THE NEXT RAIN AND TO REDUCE PRESSURE ON THE FENCE . TAKE CARE TO AVOID UNDERMINING THE FENCE DURING CLEANOUT.
4. REMOVE ALL FENCING MATERIALS AND UNSTABLE SEDIMENT DEPOSITS AND BRING THE AREA TO GRADE AND STABILIZE IT AFTER THE CONTRIBUTING DRAINAGE AREA HAS BEEN PROPERLY STABILIZED.

EFFECTIVE LETTING DATE: JAN, 2013

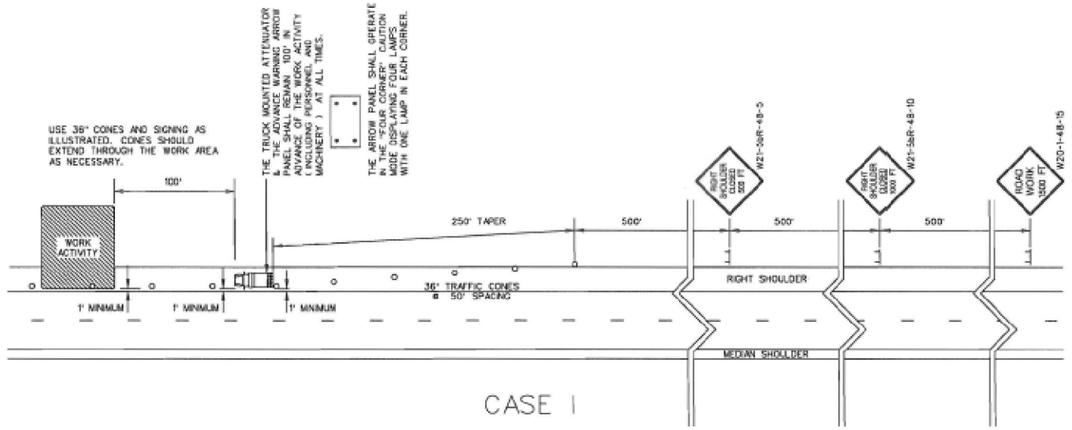

THIS DRAWING IS NOT TO SCALE

GENERAL NOTES

1. ALL SIGN LOCATIONS ARE TO BE MEASURED FROM THE WORK AREA. WORK LIMITS FOR THE PROJECT WILL BE DETERMINED BY THE ENGINEER AND AS INDICATED IN THE CONTRACT.
2. INSTALL ADVANCE WARNING SIGNS MOUNTED ON PORTABLE SIGN SUPPORTS NO LESS THAN 4 FEET FROM THE NEAR EDGE OF THE SIGN TO THE NEAR EDGE OF AN ADJACENT TRAVEL LANE ON ROADWAYS WITH EARTH SHOULDERS AND NO LESS THAN 6 FEET FROM THE NEAR EDGE OF THE SIGN TO THE NEAR EDGE OF AN ADJACENT TRAVEL LANE ON ROADWAYS WITH PAVED SHOULDERS. WHEN CURB & GUTTER IS PRESENT, INSTALL THE SIGN NO LESS THAN 2 FEET FROM THE NEAR EDGE OF THE SIGN TO THE FACE OF THE CURB.
3. SPACINGS INDICATED ARE FOR NORMAL CONDITIONS; ADJUSTMENTS MAY BE REQUIRED DUE TO HORIZONTAL AND/OR VERTICAL ALIGNMENTS OR OTHER SIGHT DISTANCE RESTRICTIONS.
4. ALL SIGNS MOUNTED ON PORTABLE SIGN SUPPORTS SHALL HAVE A MINIMUM MOUNTING HEIGHT OF 5 FEET FROM THE GROUND TO THE BOTTOM OF THE SIGN. ALL SIGNS MOUNTED ON GROUND MOUNTED U-CHANNEL POSTS OR SQUARE STEEL TUBE POSTS SHALL HAVE A MINIMUM MOUNTING HEIGHT OF 7 FEET FROM THE GRADE ELEVATION OF THE NEAR EDGE OF THE ADJACENT TRAVEL LANE TO THE BOTTOM OF THE SIGN UNLESS OTHERWISE DIRECTED BY THE DEPARTMENT. MOUNT ALL SIGNS STRAIGHT AND LEVEL AND WITH THE FACE OF THE SIGNS PERPENDICULAR TO THE SURFACE OF THE ROADWAY.
5. REFLECTORIZE ORANGE ADVANCE WARNING SIGNS AND ANY ORANGE AREAS OF A MULTI-COLORED ADVANCE WARNING SIGN WITH A FLUORESCENT ORANGE COLORED PRISMATIC RETROREFLECTIVE SHEETING. REFLECTORIZE WHITE REGULATORY SIGNS AND ANY WHITE AREAS OF A MULTI-COLORED ADVANCE WARNING SIGN WITH A WHITE COLORED PRISMATIC RETROREFLECTIVE SHEETING.
6. ALL TRAFFIC CONTROL DEVICES SHALL COMPLY WITH ALL NCHRP REPORT 350 REQUIREMENTS AND SHALL REQUIRE APPROVAL BY THE DEPARTMENT. ONLY THOSE TRAFFIC CONTROL DEVICES INCLUDED ON THE "APPROVED PRODUCTS LIST FOR TRAFFIC CONTROL DEVICES IN WORK ZONES" ARE CONSIDERED ACCEPTABLE FOR USE. THIS LIST MAY BE ACCESSED ON THE DEPARTMENT'S WEB SITE AT: www.scdot.org .
7. THE CONTRACTOR SHALL PROVIDE AND UTILIZE ANY SPECIAL SIGN MOUNTING ASSEMBLIES AND HARDWARE THAT MAY BE NECESSARY FOR INSTALLING AND MOUNTING SIGNS IN AREAS OF CONCRETE MEDIAN BARRIER, BRIDGE PARAPET WALLS OR DOUBLEFACED GUARDRAIL.
8. THE PRIMARY TRAFFIC CONTROL DEVICES UTILIZED FOR DAYTIME SHOULDER CLOSURES ARE 36" CONES. THE PRIMARY TRAFFIC CONTROL DEVICES UTILIZED FOR NIGHTTIME SHOULDER CLOSURES ARE PORTABLE PLASTIC DRUMS. DURING DAYTIME SHOULDER CLOSURES, 42" OVERSIZED CONES MAY BE SUBSTITUTED FOR 36" CONES. DURING NIGHTTIME SHOULDER CLOSURES, 42" OVERSIZED CONES ARE PROHIBITED FOR USE. IF THIS TRAFFIC CONTROL SETUP EXTENDS INTO THE HOURS OF DARKNESS, REPLACE ALL CONES, 36" OR 42" OVERSIZED, WITH PORTABLE PLASTIC DRUMS.
9. THE 36" CONES UTILIZED DURING DAYLIGHT HOURS ARE NOT REQUIRED TO BE REFLECTORIZED. REFLECTORIZE ALL 42" OVERSIZED CONES UTILIZED DURING DAYTIME SHOULDER CLOSURES WITH TYPE III FLEXIBLE PRISMATIC RETROREFLECTIVE SHEETING UNLESS OTHERWISE DIRECTED BY THE DEPARTMENT. REFLECTORIZE ALL PORTABLE PLASTIC DRUMS WITH TYPE III FLEXIBLE PRISMATIC RETROREFLECTIVE SHEETING UNLESS OTHERWISE DIRECTED BY THE DEPARTMENT.
11. THE DEPARTMENT PROHIBITS CONDUCTING WORK ON PRIMARY AND SECONDARY ROUTES WITHIN 1' OF THE NEAR EDGE OF THE ADJACENT TRAVEL LANE UNDER A SHOULDER CLOSURE. ALL WORK THAT MAY REQUIRE THE PRESENCE OF EQUIPMENT, PERSONNEL, MATERIALS OR WORK VEHICLES WITHIN 1' OF THE NEAR EDGE OF THE ADJACENT TRAVEL LANE SHALL BE CONDUCTED UNDER A LANE CLOSURE.

    CASE I: WHENEVER ANY PORTION OF THE SHOULDER AREA WITHIN 15' BUT NOT CLOSER THAN 1' OF THE NEAR EDGE OF THE ADJACENT TRAVEL LANE MUST BE OCCUPIED BY EQUIPMENT, PERSONNEL, MATERIALS OR WORK VEHICLES TO CONDUCT THE WORK, INSTALL AND MAINTAIN THE SIGNING AND TRAFFIC CONTROL DEVICES AS ILLUSTRATED.

    CASE II: WHENEVER THE WORK IS CONDUCTED BEYOND 15' BUT WITHIN 30' OF THE NEAR EDGE OF THE ADJACENT TRAVEL LANE, INCLUDING THE PRESENCE OF EQUIPMENT, PERSONNEL, MATERIALS OR WORK VEHICLES, INSTALL AND MAINTAIN THE SIGNING AND TRAFFIC CONTROL AS ILLUSTRATED.
12. CONDUCT THE WORK IN SUCH A MANNER THAT WILL NOT REQUIRE ENCROACHMENT OF TRAFFIC CONTROL DEVICES, EQUIPMENT, PERSONNEL, MATERIALS OR ANY WORK RELATED VEHICLES WITHIN 1' OF THE NEAR EDGE OF THE ADJACENT TRAVEL LANE.
13. PLACE THE TRUCK MOUNTED ATTENUATOR AT A LOCATION 100' IN ADVANCE OF THE WORK ACTIVITY AND NO CLOSER THAN 1' FROM THE NEAR EDGE OF THE ADJACENT TRAVEL LANE.
14. FOR A CASE I SCENARIO IN THE RIGHT SHOULDER AREA, ADJUST THE TAPER AS NECESSARY TO FIT THE WIDTH OF THE SHOULDER WHILE MAINTAINING THE REQUIRED 250' TAPER LENGTH.
15. IF WORK IS BEING CONDUCTED SIMULTANEOUSLY AT TWO DIFFERENT LOCATIONS AT THE SAME TIME UNDER CASE I SHOULDER CLOSURES, SEPARATE THE TWO LOCATIONS BY NO LESS THAN 1 MILE FROM THE END OF THE FIRST CASE I CLOSURE THAT A MOTORIST WILL ENCOUNTER TO THE BEGINNING OF THE TAPER OF THE SECOND CASE I CLOSURE. A MINIMUM SEPARATION DISTANCE OF ONE-HALF MILE IS RECOMMENDED BETWEEN SHOULDER CLOSURES WHEN ONE OR BOTH SHOULDER CLOSURES IS A CASE II CLOSURE.
16. THE DEPARTMENT RESERVES THE RIGHT TO RESTRICT WORK OPERATIONS AND/OR WITHHOLD THE MONTHLY ESTIMATE IF THE TRAFFIC CONTROL IS NOT PROPERLY INSTALLED AND MAINTAINED AS DIRECTED BY THE STANDARD SPECIFICATIONS, THE SPECIAL PROVISIONS, THE STANDARD DRAWINGS, THE PLANS AND/OR THE ENGINEER.
17. THIS TYPICAL TRAFFIC CONTROL SETUP APPLIES TO THE INSTALLATION OF SHOULDER CLOSURES IN THE RIGHT SHOULDER AREAS OF PRIMARY AND SECONDARY ROADWAYS.

PORTABLE TRUCK MOUNTED ATTENUATOR

1. UTILIZE A TRUCK MOUNTED ATTENUATOR ATTACHED TO THE REAR OF A TRUCK WITH A MINIMUM GROSS VEHICULAR WEIGHT (GVW) OF 15,000 POUNDS (ACTUAL WEIGHT). IF THE ADDITION OF SUPPLEMENTAL WEIGHT TO THE VEHICLE AS BALLAST IS NECESSARY, CONTAIN THE MATERIAL WITHIN A STRUCTURE CONSTRUCTED OF STEEL. CONSTRUCT THIS STEEL STRUCTURE TO HAVE A MINIMUM OF FOUR SIDES AND A BOTTOM. A TOP IS OPTIONAL. BOLT THIS STRUCTURE TO THE FRAME OF THE TRUCK. UTILIZE A SUFFICIENT NUMBER OF FASTENERS FOR ATTACHMENT OF THE STEEL STRUCTURE TO THE FRAME OF THE TRUCK TO ENSURE THE STRUCTURE WILL NOT SEPARATE FROM THE FRAME OF THE TRUCK DURING AN IMPACT UPON THE ATTACHED TRUCK MOUNTED ATTENUATOR. UTILIZE EITHER DRY LOOSE SAND OR STEEL REINFORCED CONCRETE FOR BALLAST MATERIAL WITHIN THE STEEL STRUCTURE TO ACHIEVE THE NECESSARY WEIGHT. THE BALLAST MATERIAL SHALL REMAIN CONTAINED WITHIN THE CONFINES OF THE STEEL STRUCTURE AND SHALL NOT PROTRUDE FROM THE STEEL STRUCTURE IN ANY MANNER.
2. LOCATE THE TRUCK MOUNTED ATTENUATOR 100 FEET IN ADVANCE OF THE WORK AREA UNLESS OTHERWISE SPECIFIED.
3. PROVIDE, INSTALL AND MAINTAIN THE TRUCK MOUNTED ATTENUATOR AS SPECIFIED BY THE STANDARD SPECIFICATIONS AND AS DIRECTED BY THE ENGINEER.

ADVANCE WARNING ARROW PANEL

ALL ADVANCE WARNING ARROW PANELS SHALL BE 48" x 96" WITH A MINIMUM LEGIBILITY DISTANCE OF 1 MILE. PLACEMENT OF AN ADVANCE WARNING ARROW PANEL MAY REQUIRE ADJUSTMENTS DUE TO HORIZONTAL AND/OR VERTICAL ALIGNMENT OR OTHER SIGHT DISTANCE RESTRICTIONS. THE PANEL FACE SHALL BE NONREFLECTIVE BLACK. ALL ADVANCE WARNING ARROW PANELS SHALL COMPLY WITH THE STANDARD SPECIFICATIONS FOR HIGHWAY CONSTRUCTION, LATEST EDITION.

WHEN AN ADVANCE WARNING ARROW PANEL IS REQUIRED TO OPERATE IN THE CAUTION MODE, THE ADVANCE WARNING ARROW PANEL SHALL DISPLAY THE "FOUR CORNERS" CAUTION MODE, WITH ONE LAMP IN EACH CORNER. DISPLAY OF ANY OTHER TYPE OF CAUTION MODE OTHER THAN THE "FOUR CORNERS" CAUTION MODE SUCH AS THE "FLASHING BAR" OR THE "ALTERNATING DIAMOND" CAUTION MODES ARE UNACCEPTABLE AND PROHIBITED.

WHEREAS, the City of Simpsonville City Council reviews its Ordinances at various times to make necessary improvements and/or changes; and,

WHEREAS, pursuant to S.C. Code Ann. §5-7-250(b), "[t]he council shall determine its own rules and order of business…"; and,

NOW, THEREFORE, BE IT ORDAINED by the Mayor and Council of the City of Simpsonville as follows:

Section 1. Amendment. Amend Section 2-69(b) (Public Participation at Meetings) of Division 2 (Meetings) of Article II (Council) (*language that is ~~struck through~~ is language proposed to be deleted, underlined language is language proposed to be added, language is not ~~struck through~~ or underlined is not to be changed, and *** represents sections of the Ordinance that have been skipped and remain unchanged*):

Sec. 2-69. Conduct

…

(b) *Public participation at meetings*.

(1) Council Meetings are open to the Public. Citizens of the Simpsonville City Limits, as well as individuals who reside or maintain a business within the City Limits, are entitled to speak before Council at regular meetings. Eligible individuals may speak on matters within the jurisdiction of the City, except for personnel matters.

Any eligible person wishing to address Council must sign the public-comment list maintained by the City Clerk no later than ten (10) minutes prior to the scheduled start of

the meeting. The sign-up list shall require the individual's name, address, and the topic to be addressed.

(2) After recognition by the presiding officer, eligible citizens shall speak only from the podium. Stamping of feet, whistling, yelling or shouting, and/ or similar demonstrations are unacceptable public behavior and will be prohibited by the presiding officer.

(3) Eligible citizens interested in addressing the council shall announce their name and address prior to beginning their remarks. Individual comments shall be limited to three minutes. The presiding officer will give speakers a 30-second warning before their time is set to expire. Speakers shall cease speaking when their time has expired. Speakers will not be permitted to concede any part of their allotted time to another speaker. However, the presiding officer may extend the time of a speaker by no more than three minutes depending on the length of the agenda and if necessary to receive relevant information. All remarks made by the speaker shall be addressed to council as a whole and not to any individual member of council. The purpose of addressing council is to allow council members to hear the opinions of the citizens and is not intended to afford the opportunity to engage in a debate or dialogue. Therefore, no reply or rebuttal by council members is required.

(4) If a previous speaker has already expressed a shared view, speakers are encouraged to simply state that he or she agrees with the previous comment instead of repeating a comment already made. The presiding officer may encourage large groups and associations to select an individual to speak for the group for the purpose of avoiding repetitive comments. No eligible citizen shall be permitted to speak more than once during the citizens' comments portion of the meeting unless otherwise invited by the presiding officer.

Section 2: Severability. Severability is intended throughout and within the provisions of this Ordinance. If any section, subsection, sentence, clause, phrase or portion of this Ordinance is held to be invalid or unconstitutional by a court of competent jurisdiction, then that decision shall not affect the validity of the remaining portions of this Ordinance.

CITY OF SIMPSONVILLE, SOUTH CAROLINA

RESOLUTION R-2026-19

A RESOLUTION AUTHORIZING THE CITY ADMINISTRATOR TO NEGOTIATE AND EXECUTE AN AGREEMENT WITH CIVICPLUS, LLC, THROUGH ITS MUNICODE CODIFICATION SERVICES, FOR THE RECODIFICATION, LEGAL REVIEW, REORGANIZATION, AND REPUBLICATION OF THE CITY OF SIMPSONVILLE CODE OF ORDINANCES; ESTABLISHING CONDITIONS AND LIMITS ON THAT AUTHORITY; AND PROVIDING FOR RELATED MATTERS

WHEREAS S.C. Code § 5-7-30 authorizes municipalities to enact regulations, resolutions, and ordinances, not inconsistent with the Constitution and general law of this State, respecting matters necessary and proper for the general welfare, convenience, and good government of the municipality; and

WHEREAS S.C. Code §§ 5-7-160 and 5-13-30 vest the legislative powers and policy-making authority of the City in City Council, while S.C. Code § 5-13-90 assigns the City Administrator responsibility for administration of City affairs under the council-manager form of government; and

WHEREAS S.C. Code § 5-7-290 requires each municipal council to provide by ordinance for the codification and indexing of its ordinances and for maintaining the municipal code in a current form reflecting newly adopted, amended, or repealed ordinances; and

WHEREAS S.C. Code § 5-7-260 permits Council to act by resolution in matters not required by law to be accomplished by ordinance, and this Resolution neither makes a new appropriation nor amends the City budget; and

WHEREAS the City's Code of Ordinances has not undergone a comprehensive recodification in several years, and Council finds that a current, logically organized, legally reviewed, searchable, and publicly accessible Code supports transparency, enforcement, administration, and good government; and

WHEREAS a comprehensive recodification may identify uncodified legislation, obsolete references, internal conflicts, redundancies, inconsistent terminology, numbering and cross-reference errors, and provisions requiring policy or legal review, while preserving all legislative decisions for City Council; and

WHEREAS CivicPlus acquired Municipal Code Corporation, commonly known as Municode, in 2021, and now offers Municode Codification services as part of the CivicPlus platform; and

WHEREAS City Council desires to authorize a limited agreement with CivicPlus, LLC, through its Municode Codification services, subject to the cost ceiling, procurement compliance, legal review, nondelegation, and final-adoption requirements stated in this Resolution.

NOW THEREFORE, BE IT RESOLVED BY THE CITY OF SIMPSONVILLE, SOUTH CAROLINA, THAT:

Section 1. Findings and Approval of Project.

The foregoing recitals are incorporated as findings of City Council. Council approves the undertaking of a comprehensive recodification of the City of Simpsonville Code of Ordinances in accordance with this Resolution.

Section 2. Authorization to Negotiate and Execute Agreement.

Subject to every condition in this Resolution, the City Administrator is authorized, for and on behalf of the City, to negotiate, finalize, execute, and deliver an agreement with CivicPlus, LLC, through its Municode Codification services ("CivicPlus"), substantially consistent with the final proposal and statement of work dated August 21, 2026 for an initial term not longer than 18 months after signing (March 8, 2028). The authority granted by this Section is subject to the following limitations:

(a) the agreement and all exhibits must be approved as to form and legal sufficiency by the City Attorney before execution;

(b) the total initial contractual commitment, including all one-time charges, reimbursable expenses, and first-year hosting, subscription, or maintenance charges, shall not exceed $13,835.01.

(c) recurring charges after the initial term shall not exceed $0.00 per year, shall remain subject to future annual appropriations, and shall be terminable for nonappropriation;

(d) the City Administrator may approve nonmaterial revisions that do not increase the authorized cost, extend the authorized initial term, materially reduce deliverables, or materially increase the City's legal or operational risk; and

(e) any material increase in cost or term, material reduction in scope or deliverables, or material change in risk allocation shall require further approval by City Council.

Section 3. Authorized Scope.

The agreement may include collection and review of the current Code and source legislation; identification and incorporation of uncodified ordinances; attorney-led legal and editorial review; written recommendations; conferences with City staff and the City Attorney; reorganization, renumbering, indexing, and correction of cross-references; preparation and review of proofs; conversion to electronic formats; online publication and search functionality; delivery of final files and legislative disposition tables; and preparation of a proposed ordinance for Council's later consideration of the completed recodification.

Section 4. Existing Appropriation and Procurement Compliance.

(a) All payments under the agreement shall be made solely from funds appropriated and available in the adopted Fiscal Year 2026–2027 budget, General Fund – Administration – Professional Services account. This Resolution does not make a new appropriation, amend the budget, or authorize an expenditure exceeding an available appropriation.

(b) Execution is conditioned upon written confirmation by the City Administrator and Finance Director, or their authorized designees, that the contemplated procurement and funding comply with the City's procurement requirements, adopted budget, and applicable law. Nothing in this Resolution waives competitive-procurement requirements or predetermines any sole-source or other procurement finding.

Section 5. Project Administration and Legal Review.

(a) The City Administrator shall administer the agreement and may assign participating departments, internal deadlines, and other administrative responsibilities necessary to complete the project.

(b) The City Clerk shall serve as the City's legislative-records and source-document coordinator for the project, subject to the administrative direction of the City Administrator, and shall coordinate collection, verification, and disposition of ordinances and other official legislative records.

(c) The City Attorney shall review legal recommendations and all proposed substantive changes. CivicPlus's attorney-led analysis is advisory and does not replace the advice, approval, or independent professional judgment of the City Attorney.

Section 6. Reservation of Legislative Authority; Separate Adoption Ordinance.

(a) No recommendation, editorial treatment, draft, proof, reorganization, renumbering, consolidation, omission, or other work product of CivicPlus or City staff shall enact, amend, repeal, suspend, or otherwise change the legal effect of any ordinance.

(b) Purely editorial corrections may be included in a proposed recodification only when they do not alter substantive meaning. Any question concerning substantive effect shall be referred to the City Attorney and, when appropriate, to City Council.

(c) The completed recodification, together with all proposed substantive amendments, repeals, consolidations, and savings provisions, shall be presented to City Council for consideration and adoption by a separate ordinance following the readings required by law.

Section 7. Continuing Effect of Existing Law and Project Records.

(a) Until City Council adopts a recodified Code by ordinance, the existing Code of Ordinances and all duly enacted ordinances shall remain in full force and effect according to their terms.

(b) The City Administrator shall ensure that the City receives and retains the proofs, legal-review memoranda or reports, source and disposition tables, final electronic files, and other deliverables required by the agreement, subject to applicable public-records, records-retention, confidentiality, and privilege requirements.

Section 8. Effective Date.

This Resolution shall take effect immediately upon its adoption by City Council.

WHEREAS, Pinnacle hereby covenants and agrees that it is able to carry out terms and conditions of the Banking Services Agreements, the terms of which are incorporated herein as if set forth fully; and,

NOW, THEREFORE, in consideration and mutual dependence on the factual representations contained in this Agreement, and in reliance on each Party's exchange of promises as contained in this Agreement, the Parties agree as follows:

1. Banking Services

A. Pinnacle shall provide all services described in the Banking Services Agreements. This Agreement and the Banking Services Agreements shall collectively be considered the Agreement; provided, however, that in the event of any conflict between the terms of this Agreement and the Banking Services Agreements, the terms of this Agreement shall control except to the extent expressly set forth herein.

B. Pinnacle agrees that the banking services set forth herein and in the Banking Services Agreements shall be performed and completed in the manner and according to customary banking industry standards observed by a competent practitioner of the profession in which Pinnacle is engaged.

2. Term of Agreement

A. This Agreement shall be effective as of the date executed by the Parties and shall continue for a period of five (5) years from the Effective Date unless sooner terminated in accordance with the provisions contained herein.

3. Commencement of Services

Unless otherwise agreed by the Parties, commencement of performance of any service hereunder shall be upon the Effective Date.

4. Termination

A. In accordance with the Master Services Agreement (herein so called; Attachment F of the Banking Services Proposal), the City may terminate this Agreement upon notice at least ten (10) business days prior to the date the City wishes to terminate the Agreement.

B. The Parties expressly agreement that as applicable to this Agreement only, Pinnacle shall be entitled to terminate this Agreement without cause upon notice at least one hundred eighty (180) days prior to the date Pinnacle wishes to terminate the Agreement. Otherwise, Pinnacle shall be entitled to terminate this Agreement based upon the terms of the Master Services Agreement. Notwithstanding anything else in this section to the contrary the Parties expressly agree nothing herein shall prohibit or affect Pinnacle's rights under the Master Services Agreement to amend, modify, close, suspend, or terminate Accounts and Services as set forth in the Master Services Agreement.

6. Indemnity Not Applicable to City

Paragraph 20 of the Master Services Agreement contains an indemnity provision applicable to the City. The City is a governmental entity and political subdivision of the State of South Carolina and enjoys sovereign immunity, as well as the imposition of duties and protections afforded by the South Carolina Tort Claims Act. By law, the City cannot hold harmless and indemnify any contracting party. Therefore, the Parties agree that the first two sentences of Paragraph 20 of the Master Services Agreement shall not apply to the City. However, subject to the application of the aforementioned law and to the limits of its insurance, the City agrees that Pinnacle, and its officers, directors and employees shall not be liable from and against all claims, liabilities, damages, losses, including attorney's fees and expenses related to the negligent acts or omissions by the City, and the City's officers, employees, and agents.

7. Insurance

Pinnacle shall maintain in full force and effect all policies of insurance required by the RFP and set forth on Attachment G to the Banking Services Agreement, and during the Term of this Agreement, shall provide certificates of insurance upon request by the City.

8. Entire Agreement

This Agreement constitutes the entire agreement among the Parties with respect to the subject matter of this Agreement. All prior documents, negotiations, and discussions merge in this Agreement and do not survive this Agreement's execution.

The Parties are not entitled to modify, in any way, this Agreement except by a writing signed by or on behalf of all Parties by a duly authorized representative of the executing Party. Neither any purported amendment, of any kind, to this Agreement, nor any purported waiver of any provision of this Agreement is valid unless all Parties have consented in writing.

10. Severability

The provisions of this Agreement are severable. The invalidity, or unenforceability of any one provision in this Agreement shall not affect the other provisions.

11. Non-Assignment

A Party shall not assign its rights or delegate its responsibilities under this Agreement to any third party without the prior, written consent of all Parties.

12. Independent Contract/No Third-Party Beneficiary/No Joint Venture

A. In furnishing the services set forth herein, Pinnacle is acting as an independent contractor. The Parties do not intend to create any third-party beneficiary rights, nor any form of partnership, joint venture, or any other legal relationship among the Parties, except a contractual relationship as set forth in this Agreement. Any third-party person(s) employed by Pinnacle shall be entirely and exclusively under the direction, supervision, and control of Pinnacle and shall not be deemed an employee of the City.

B. Pinnacle shall possess no authority with respect to any City decision and no right to act on behalf of City in any capacity whatsoever as agent unless specifically authorized by the City by this Agreement or authorized, or to bind City to any obligations whatsoever.

13. Non-Collusion

Pursuant to Attachment B of the RFP, Pinnacle certifies that it will comply with all applicable federal, state, and local ethics laws and regulations and that no City official, employee, or representative has received or will receive any improper benefit related to the RFP.

14. Mutual Confidentiality Provision

The Parties agree that it will not use, or permit the use of, any of the information relating to the other Party respectively furnished to each other in connection with this Agreement or any and all proprietary and confidential information belonging to either Party ("Confidential Information"), except publicly available, freely usable material as otherwise obtained from another source, or otherwise subject to the South Carolina Freedom of Information Act. Notwithstanding the foregoing sentence the Parties expressly agree nothing herein shall be construed to limit or prevent Pinnacle's use of information necessary to carry out and perform banking services or as set forth in the Master Services Agreement.

15. Force Majeure

Neither party shall be held responsible for delays in the performance of its obligations hereunder when caused by a Force Majeure event. In order for its performance to be excused for the period of a Force Majeure event, a party must give written notice to the other party within 10 days after the occurrence of the Force Majeure event. A Force Majeure event is any period of delay which arises from or through: Acts of God, including, without limitation, flood, earthquake, and severe weather conditions; strikes; explosion; sabotage; riot or civil commotion; act of war; fire or other casualty; legal requirements; or any other causes beyond the reasonable control of the party claiming delay from or through such causes.

16. Time is of the Essence

City and Pinnacle agree that time is of the essence and Pinnacle agrees that the Scope of Services shall be undertaken and completed in a timely and diligent manner.
